

PREFACE.

THE Publisher herewith presents the *Seventh Edition* of the QUEBEC DIRECTORY, which he trusts will found equally reliable with its predecessors. He had feared that, the Government being removed from Quebec, and carrying with it a large number of persons, the Directory must be abandoned for want of support. This, however, he is glad to say, has not been the case, as the present issue proves.

The value of the Directory is now fully appreciated, and commands a liberal support. Should encouragement continue in the same proportion, the publisher trusts still further to improve the work in succeeding editions.

Great care has been taken in the compilation of the contents of the Book, and equal care taken in seeing that this information has been correctly printed. It will be found to contain information on all points of interest to business men, as well as a copious MISCELLANEOUS DIRECTORY.

The STREET GUIDE, also, has been very carefully revised.
