

MEN ACT WISELY

Who aim at getting a dollar's worth for every dollar they expend, no matter what they are purchasing.

The only way in which a man who is a total abstainer can get full justice is to purchase his insurance from a company that will give him lower rates, without profit, because he is a total abstainer, or will classify his risk with total abstainers, only, for profits.

THE TEMPERANCE AND GENERAL LIFE ASSURANCE CO.

Is the only company in Canada that offers total abstainers these distinct advantages.

Total Abstainers should secure full information by writing the Managing Director.
