

En-ar-co Petroleum Products for Every Farm Need

YOUR machinery is only as good as the lubricant you use.

Your tractor, automobile or gas engine is only as efficient as the gasoline that gives it power.

The cheeriness and satisfaction of home lighting is in ratio to the quality of kerosene you burn.

En-ar-co Petroleum Products are the most economical for any and every farm need. They have been uniformly of the highest quality for 35 years—and always will be.

En-ar-co National Motor Oil cannot be excelled for the perfect and economical lubrication of any motor.

En-ar-co "White Rose" is a pure, dry, homogeneous gasoline that gives utmost power to the last drop.

En-ar-co National Light Oil is a white-light oil (not yellow and dim) — a "better" oil for lamps, oil stoves, incubators, etc., because it does not give off offensive odors or poisonous fumes.

It does not char the wick like ordinary coal-oil.

The first cost per gallon signifies nothing in what petroleum products will do. Economy does not lie in buying oils and gasoline at the lowest possible price. Investing a few dollars in En-ar-co products each season will turn depreciation into profit and bring a hitherto unknown satisfaction.
