Private Sales Every Day.*

By instructions from MR. T. H. HASSARD, MILLBROOK, we will hold an

IMPORTANT AUCTION SALE of

39

Imported Registered Clydesdale Fillies

On THURSDAY, OCT. 27th, at 1.30 P.M.

This valuable collection has been selected from the best breeding establishments in Scotland by Mr. Hassard, who has spared neither time nor money in procuring not only the most valuable and desirable strains of breeding, but in each case has been particular to purchase individuals of unusual merit, looking forward to their future career in the show ring as well as their breeding qualities.

The fillies are by the well known prize-winning sires: Foremost, Clan Chattan, Prince Gallant, Prince Alexander, Elator, Labori, Sylvander, Sir William, Stately City, Royal Peer, Brooklyn, Gay Everard, Radiant, etc., etc.

Catalogues giving complete descriptions and extensive pedigrees of the entire lot will be published in a few days and will be mailed to any address upon application to the undersigned.

The fillies consist of **yearlings and two-year-olds** and are pronounced by some of the best judges in Scotland to be a better lot than any yet shipped to Canada.

The importance of this great collection of pure-bred Clydesdales will be evident to everyone interested in the improvement and development of draught horse breeding of this country, and we hope will be appreciated.

There is no limit to the demand for Clydesdale Stock of all ages.

The fillies are now on the way and will be at "The Repository" for inspection two days previous to the date of sale.

Write for Catalogue at once.

BURNS & SHEPPARD, Proprietors.

At the request of Mr. T. H. Hassard this important sale will be personally conducted by Mr. Walter Harland Smith, the former proprietor.
