

LIVINGSTON'S OIL CAKE MEAL.

OLD PROCESS

Nothing is better for fattening steers quickly and putting them on the market in prime condition than Oil Cake Meal. Thousands of Canadian and English stockmen use Livingston's, and would have no other. It is equally good for milk cows. They give more and better milk when fed Livingston's Oil Cake Meal. Also used for horses, sheep and hogs. Write for information regarding prices, etc., etc., to

GOSSIP.

JOHN A. BOAG & SON'S CLYDESDALES.

As an importer, breeder and judge of Clydesdale horses, no one in the business has a more enviable reputation than John A. Boag, of Ravenshoe, Ont., a man whose honor and word in his dealings with the public are absolutely above reproach. For many years his Clydesdale importations have been among the very best that have landed in the country. Before seeing this year's importation, we were several times told they were an extra good lot, and exceptionally well bred, and, after inspection of the animals and their pedigrees, we have only to say they were not overrated. Ardnahoe 4506 (C.) is a brown three-year-old, by the great Pride of Balcon, dam by Mountain King, grandam by Gold Dust, is a horse of great substance on an ideal bottom, with strong back and stifle and good length of rib. This horse was imported last year, and has proven himself an extra good sire. But-tress 13392 (S.) is a roan two-year-old, by the champion Everlasting, the greatest son of Baron's Pride, and whose dam was by Prince of Wales, dam by Gold Mine, by Goldfinder, grandam by Prince of Fortune, a grandson of Prince of Wales. There is no better breeding, and he is a high-class show colt. He has size, style and quality galore, and moves with faultless action. Glensman 13505 is a bay two-year-old, by Flash Sturdy, by Prince Sturdy, by Cedric, dam by Mains of Airies, by Prince of Wales, grandam by Darnley. This colt will make over-a-ton horse, with a smooth, beautiful mold, abundance of character and quality, on a faultless bottom, a great show colt, carrying Scotland's richest blood. Squire 13786 is a brown two-year-old, by Castlemilk, dam by Royal Standard, a grandson of Prince of Wales, grandam by Prince of Airds, a grandson of Darnley. This colt is one of the thick, close-coupled, cart-horse kind, smooth to a turn, on strong, flat bone, ideal ankles and feet, a rare good kind. Timothy 13852 is a bay yearling, by the great champion Benedict, imported to America, and again exported to Scotland, he by Baron's Pride, dam by Prince Robert, by Prince of Wales, grandam by Top Gallant, by Darnley, thus carrying the blood of five of Scotland's greatest horses. He is a colt of great substance and character, and should develop into a cracker. Hannah 18576 is a bay two-year-old filly, by Douglas Chief, dam by Forest Hero, grandam by Topsman. She now weighs 1,550 lbs., a big, thick, smooth, quality filly. Bet of Hallguards 18582 is another bay two-year-old, by Gartly Gold, dam by Prince of Kirtle, grandam by Lord Clyde. This filly will make a ton mare, and, with it, has smoothness and quality. Rose Campbell 18582 is a bay yearling, by the great Benedict, dam by King of the Roses, breeding gilt-edged enough surely. This filly has few equals, having been pronounced by several the best yearling that has crossed the water. Certainly, she is a show filly from the ground up. Nell of Hukinlaw 18579 is another bay yearling, by Prince Otto, by the great sire, Prince Thomas, dam by Prince of Craigie, grandam by Knight of Lothian. She is a filly of great scale and character, a faultless bottom, and will make a very big mare. Blanch Surprise 8745 (E.) 368 (C.) is a chestnut four-year-old Hackney stallion, by the double-champion Rosador, dam by another double champion, Garton Duke of Connaught, grandam by the great Danegelt. There is certainly no richer breeding, and few better horses. His action is faultless all around, while his form and quality could scarcely be improved. Any or all of these horses are for sale at a living profit. Visitors will not be disappointed in the quality of these horses. Mr. Boag has lately purchased a farm quite near the village of Queensville. The Toronto-Sutton electric road crosses the farm, with an hour service. He expects to get moved the fore part of January next. At present, notify him of intended visit to Ravenshoe P. O.
