MONEY MADE.

\$100 to \$1,000 invested in bank shares on margin makes the same profit on a rise as would be made by ten to twenty times this capital invested in the usual way of outright purchase. We often double investments within short dates. We mail pamphlet, giving full explanations and directions, free. Now is a good time to invest in order to profit by the big advance expected this fall owing to good crops, growth of the North-West, extension of manufactures, and trade prospering. T. E. GRATEFUL-COMFORTING. EPPS'S COCOA BREAKFAST.

"By a thorough knowledge of the natural laws which govern the operations of the digestion and nutrition, and by careful application of the fine properties of well-selected Cocoa, Mr. Epps has provided our breakfast tables with a delicately flavoured beverage which may save us many heavy doctors' bills. It is by the judicious use of such articles of diet that a constitution may be gradually built up until strong enough to resist every tendency to disease. Hundreds of subtle maladies are floating around us ready to attack wherever there is a weak point. We may escape many a fatal shaft by keeping ourselves well fortified with pure blood and a properly nourished frame."—Civil Service Gazette.
