

An English clergyman asked an uneducated woman whether she liked his written or unwritten sermons the best. After thinking a few moments she said: "Why, I loike yo the best without the book, because yo keep saying the same thing over and over again, and that helps me to remember what I hear a good deal better."

Harper's Bazar
ILLUSTRATED.

HARPER'S BAZAR is the only paper in the world that combines the choicest literature and the finest art illustrations with the latest fashions and methods of household adornment. Its weekly illustrations and descriptions of the newest Paris and New York styles, with its useful pattern-sheet supplements and cut patterns, by enabling ladies to be their own dressmakers, save many times the cost of subscription. Its papers on cooking, the management of servants, and house-keeping in its various details are eminently practical. Much attention is given to the interesting topic of social etiquette, and its illustrations of art needle-work are acknowledged to be unequalled. Its literary merit is of the highest excellence, and the unique character of its humorous pictures has won for it the name of the American Punch.

IT LEADS ALL

No other blood-purifying medicine is made, or has ever been prepared, which so completely meets the wants of physicians and the general public as

Ayer's Sarsaparilla.

It leads the list as a truly scientific preparation for all blood diseases. If there is a lurking taint of Scrofula about you, AYER'S SARSAPARILLA will dislodge it and expel it from your system. For constitutional or scrofulous Catarrh, CATARRH AYER'S SARSAPARILLA is the true remedy. It has cured numerous cases. It will stop the nauseous catarrhal discharges, and restore the sickening odor of the breath, which are indications of scrofulous origin.

ULCEROUS SORES "Hutto, Tex., Sept. 28, 1882.
"At the age of two years one of my children was terribly afflicted with ulcerous running sores on its face and neck. At the same time its eyes were swollen, much inflamed, and very sore. Physicians told us that a powerful alterative medicine must be employed. They united in recommending AYER'S SARSAPARILLA. A few doses produced a perceptible improvement, which, by an adherence to your directions, was continued to a complete and permanent cure. No evidence has since appeared of the existence of any scrofulous tendencies; and no treatment of any disorder was ever attended by more prompt or effectual results.
Yours truly,
B. F. JOHNSON."
