IN MANY A HARD-FOUGHT COMPETITION

The Karn Piano

Has come out victorious. The musical qualities of THE KARN are quickly discerned when put to the test and by comparison its merits overshadow competitors. Some people have bought pianos without first seeing the Karn and afterwards regretted doing so.

WHEN A KARN ENTERS THE COMPETITION RANKS IT IS A CERTAIN VICTOR.

On Sunday, June 27th, the Nippon Sei Ko Kwai or Church of Japan, celebrates the fiftieth anniversary of the reintroduction of Christianity into Japan. After Christianity had been prescribed for 250 years, it was, in 1859, reintroduced by the Rev. John Liggins and the Rev. C. M. Williams, missionaries of the American Church, who arrived in Nagasaki in the spring of that year. Mr. Williams afterwards becoming the first Bishop. A special service of Thanksgiving is to be held on that day in the American Cathedral and elsewhere, and a special Collect Epistle and Gospel are to be used. Besides this a series of special evangelistic services, extending over a week, are to be held throughout the American Church Mission in September.

"If Everyone Only Knew"

the remarkable results of The Great-West is securing for its policyholders, sheer common-sense would compel them to insure in your Company." This was the remark of a Great-West Life Policyholder, whose Policy recently matured.

Many do know. They know that for inexpensive, profitable Life Insurance they cannot improve upon the Great-West Policies, and act accordingly. This is seen in the \$40,000,000 of Insurance now held in force, and the GAIN of over \$6,000,000 secured last year.

If YOU are not yet acquainted with the Great-West Policies, inform yourself by writing to
