### TALKED TO THE FARMERS

(Special Correspondence)

Strassburg, Sask., July 27.—Hon. W. R. Motherwell, minister of agriculture, addressed a very enthusiastic gathering of farmers and citizens here yesterday afternoon. His address bearing chiefly on the best methods of Agriculture. In the course of his remarks he referred to this district as one which never need fear frost and with proper cultivation of the soil they need never fear drought. He also remarked that crops in this district were at least always ten days earlier than most other points in Saskatchewan.

### HIGH PRICE FOR LAND

School Lands Auctioned at Strassburg  
Brought \$35 Per Acre.

Strassburg, Sask., Oct. 12.—About two hundred land seekers from all parts of the west attended the sale of school lands here to-day. The excellent crops in this district this year made the bidding very active and the highest price was \$35 per acre.

This is only an evidence of the faith westerners have in the famous Last Mountain valley.
