Men of the 2nd Battery were perched on top of these and it was one more reminder that the Hun at any rate did not win the war.

PARADE WAS HELD DESPITE SHOWERS THROUGHS PLEASD

Dashing Appearance of R.C.M. Police Big Feature of Morning Programme

6000 PEOPLE DOWNTOWN Many Amusing Features—Cadeets March with the Veterans

Dodging rain drops if they could, the intermittent downpour if they couldn't, 5,000 to 6,000 people saw the G.W.V.A. celebration street parade yesterday at noon, and voted it in spite of obvious handicaps a huge success.

In the parade Dignity and Independence of the sublime, the ridiculous, were to be found. First of all the troop of Royal Canadian Mounted Police, in the scarlet they have made famous wherever English is spoken, with lances and pennons at the "carry."

They were a fine lot of men, smartly turned out, superb horsemen, steady and confident. But their mounts! Nothing to equal them has been seen in Belleville. Blacks and browns and chestnuts, in threes, shining with the grooming they get wherever English is spoken, with lances and pennons at the "carry."

Blacks and browns and chestnuts, in threes, shining with the grooming they get wherever English is spoken, with lances and pennons at the "carry."

While to many the red-coated troop was the main feature, it was only part after all of the parade. Following them—they of course led the parade by right of being regular troops and cavalry to boot—came six heralds, in scarlet and gold costumes—trumpeters, these and quite a splash of color they were.

The Chamber of Commerce had several motor-cars in the line-up carrying officials of that organization. The R.C.M.P. moved off from the market square a few minutes past eleven.

OTTAWA, June 4.—When the House opened this morning, Hon. Charles Murphy, M. P. for Russell, asked Premier Meighen if Lord Byng had any political and parliamentary experience apart from military training.

Mr. Meighen replied that the Government had been notified in the usual manner that His Majesty had been pleased to appoint Lord Byng, and that there was every reason to believe that he possessed sound knowledge of political matters and was in every way qualified for the office.

LONDON, June 4.—Lord Byng has accepted the appointment as Governor-General of Canada. The appointment was officially announced late Friday afternoon.

Associations with Canadians. TORONTO, Ont., June 4.—The name of General Byng will ever be associated in Canadian history with the great battle of Vimy Ridge when for the first time the Canadian corps fought together as a corps unit.

Recalled from Egypt. On the outbreak of war in 1914 he was recalled from Egypt, where he had been G.O.C. for two years, to take command of the Third Cavalry Division. Landing in Belgium in Oct., 1914, he, along with the Seventh Cavalry Division, under General Rawlinson, covered the retreat from Antwerp to Ypres. During the First Battle of Ypres, Byng's Cavalry Division was part of Allenby's cavalry that held the right of the salient, and at the Second Battle of Ypres, the Cavalry Corps now under Byng, as General Allenby had been transferred to command the Third Army, was in close support ready to cover a retreat on St. Omer if the line should break.

In August, 1915, he was given IX corps at the Dardanelles and remained at Suvla Bay until the expedition was withdrawn four months later. Returning to France in February 1916, he succeeded General Alderson in May in the command of the Canadian corps, which then consisted of the First, Second and Third Canadian Divisions.

The Judge cautioned the police to be wary of their steps, avoiding the very appearance of evil, for there was a minister of the police, and often a policeman's good name. His duties put him in a peculiar position as custodian of the lives and estate of the citizens. His work called for generally, and often, and often much undeserved criticism.

FIRMS INSPECTED FOR CITY POLICE IN NEW UNIFORM

Staff Caps for Senior Officers Replaces the Old "Cop" Helmet SMART, WELL-FITTING

Judge Deroche, Head of Police Commissioners, Has Glance at Local Force

His Honor Judge Deroche, Chairman of the Board of Police Commissioners, and Mayor Hanna, Secretary of the Board, on Wednesday afternoon at five o'clock inspected the Belleville Police Department in the cell room of the police station. This is the first inspection the police officers and men have undergone.

In other ways it was unique. The men wore their new uniforms and footwear. Sergeants Harman and Boyd wore the new staff caps. Their uniforms are well-fitting, not a button shows, and the uniform is heavily faced with black braid. The men also carried their latest equipment. They are all now furnished with whistles.

The sergeant's new uniform is a very natty outfit. It is understood the men will soon also abandon the helmet. Chief Kidd wore his staff cap and uniform.

Races Called Off in View of Bad Condition of Track—R.C.M.P. Put on Musical Ride Twice, While Nip and Tuck Ball Game Pleases Thousands—Details of Big Holiday.

WHEN King's Birthday, 1921, dawned, the outlook appeared gloomy enough for the fourth annual demonstration of the Belleville Branch of the Great War Veterans' Association, but with a turn from dull, showers clouds to a pure blaze of sunlight, which took place just before noon, success was assured for the undertaking. It was a bigger day than the "Vets" had anticipated. Had conditions been altogether favorable, it would have been the biggest event in Belleville Veterans' history. Their demonstrations have been one success after another.

The Veterans' Memorial Fund received a big boost through yesterday's achievement. The crowd at the fair grounds reached the grand total of almost seven thousand people. Had the morning conditions been favorable the ten thousand mark would have been exceeded.

Thousands watched the musical ride of the Royal Mounted Police detachment from Ottawa under the direction of Inspector Frere. The Argyl Light Infantry band played the musical programme, while the twenty-four N.C.O.'s and men executed the manoeuvres. The brilliant uniforms of scarlet, black and gold which the finest type of Canadian physique wore, and their mounts which were not to be excelled, did not fail to please the eye. Added to these attractions were the musical numbers and the routine of the ride. The policeman and his mount seemed as one.
