

that of the Government Department contents on the extent of Greek military operations in case the recent mobilization of the Army should lead to war, brought about the Commissioners for the Income Tay and sources. In the present case the interest interest of the permanent bureaucracy, or indeed of any person who has succeeded in obtaining a foothold of has succeeded in obtaining a foothold of any kind in the public service. An analogous case is furnished by some of the Fred Price, of St. Stephen, has been snound lead to war, brought about the sudden fall of the Premier and opened the present unedifying chapter of Greek political history. Dr. Kerofilas describes his herotruly as a man of writing the property of the sudden fall of the Premier and opened the present unedifying chapter of Greek political history. Dr. Kerofilas describes his herotruly as a man of writing and, the public spirit of the local gous case is furnished by some of the women now employed in munition works. After many months' experience the mansudden fall of the Premier and opened the present unedifying chapter of Greek politions from the present unedifying chapter of Greek politions as man of untiring, albeit patient, energy, great prudence and unerring judgement. Had he been able to write an epilogue to his book, he might perhaps have admitted that even a statesman born, such as M. Venezelos undoubtedly is, may have been able to effect by discovered and also the pecuniary interests of the staffs of the premier and opened the present unedifying chapter of Greek politions that Sunday work is a waste-ful institution. One days rest in seven is not conclusion that Sunday work is a waste-ful institution. One days rest in seven is not conclusion that Sunday work is a waste-ful institution. One days rest in seven is not conclusion that Sunday work is a waste-ful institution. One days rest in seven is not conclusion that Sunday work is a waste-ful institution. One days rest in seven is not one days

tices of political friends who had not the new jobs which are to be created, and at all. Thus the interests of the politi-Miss Greated, and the interests of the permanent scrupled to fill lucrative posts with their goes on to add that if any of these perfavourites, marked him from the outset as manent officials are so appointed their bureaucracy work together for the pera man of unusual fair-mindedness and places will at once be filled in the Land courage. During the decade 1896-1906 he Valuation Department by some of the diswas the soul of the Cretan struggle for missed officials. The plot is sufficiently freedom from Turkey and for union with obvious. It has been "blown upon" ap-Greece. Negotiator, insurgent and an parently in the interest of other Income ministrator by turns, he won the confidence not only of his fellow-islanders but promotion vanishing if their Department of the representatives of the Powers; and is to be flooded by the Land Valuation when, after the Greek military revolution. officials. In this case, again, the public of 1909, he was called to Athens to save has the advantage of one set of officials the situation, he risked his popularity by fighting another. offering steadfast opposition to the demands of the crowd. He, the revolutionto the astonishment of the dynasty itself. ed to cover the case of weekly wage ary, became a prop of the dynasty, much If King Constantine rules in Greece to-day earners, now for the first time made In he owes his throne, as his father before come Tax payers, though it had been inhim owed it, to the straightforward pat- geniously so drafted as to cover everyriotism of Venezelos. The very army body. He added that a new staff would with which King Constantine, as Crown be required to deal with the weekly wage Prince, won his victories in the first and earners, and they could best be dealt with ond Balkan wars was reorganized by French officers at the instance of Venezelos; and the new frontiers secured by Greece under the Treaty of Bukarest are those for which Venezelos successfull fought in the Rumanian capital. From the sorry Balkan peace conferences in London Venezelos was the one man who emerged with enhanced reputation. As the conferences proceeded the arrogant and bombastic Bulgarian delegate, M. Daneff, who seemed at first to bestride the Balkan world like a colossus, subsided

Without prejudice to the value of Dr. Kerofilas's little book, which scarcely claims to be an exhaustive biography, i may be said that the introduction contributed to it by the Rumanian statesman, M. Take Jonesco, is not its least attractive feature. M. Take Jonesco records the British Museum authorities to disprove it. feature. M. Take Jonesco records the British Museum authorities to disprove it. answer given him when he asked M. Ven. The story is that the Public Retrenchezelos for the secret of his success:—"I ment Committee, over which the Chancel-lor of the Exchequer presides, suggested have always told my fellow-countrymen lor of the Exchequer presides, suggested lor of an open winter come

THE Times has done useful work in calling attention to a movement on the part of Somerset House both against private Income Tax payers and against the public Exchequer. In the present Finance Bill there is a clause which would, if passed, have the effect of depriving the majority of Income Tax payers in the kingdom of the protection which they can majority of Income Tax payers in the kingdom of the protection which they can now receive from the local Commissioners of Income Tax, and reducing them to Income Tax, and reducing the Income Tax, and reducing the Income Tax payers in the kingdom of the protection which they can now receive from the local Commissioners of Income Tax, and reducing the Income Tax payers in the kingdom of the protection which they can now receive from the local Commissioners of Income Tax, and reducing them to Income Tax, and reducing them to Income Tax payers in the kingdom of the protection which they can now receive from the local Commissioners of Income Tax, and reducing them to Income Tax, and reducing them to Income Tax payers in the protection which they can now receive from the local Commissioners of Income Tax, and reducing them to Income Tax payers in the protection which they can now receive from the local Commissioners of Income Tax payers in the protection which they can now receive from the local Commissioners of Income Tax payers in the protection which they can now receive from the local Commissioners of Income Tax payers in the protection which they can now receive from the local Commissioners of Income Tax payers in the protection which they can now receive from the Income Tax payers in the protection which they can now receive from the Income Tax payers in the I complete dependence upon the permanent ed, but to maintain an admittedly useless officials appointed by Somerset House. Further, this clause would involve the appointment of a large number of new officials who would be a characteristic of the sake of payment to private individuals is, in plain language, neither more nor less than robbery of the public.

A similar case which would be a characteristic of the sake of payment to private individuals is, in plain language, neither more nor less than robbery of the public.

A similar case which would be a characteristic of the sake of payment to private individuals is, in plain language, neither more nor less than robbery of the public.

A similar case which would be a characteristic of the sake of payment to private individuals is, in plain language, neither more nor less than robbery of the public. Exchequer. As regards the former point, it is satisfactory to see that the local Committee in their The Retrenchment Committee in their Use.

The Retrenchment Committee in their Capt. Harry Simpson, in his boat Oak Capt. Harry Simpson in his London are already up in arms, and it is published Report recommended certain to be hoped that their energetic protest will be supported by local Commissioners elsewhere. The matter is one which itally affects the liberty of the subject. The whole tendency of recent legislation nas peen to increase the power of the central bureaucracy. Not only have local authorities by recent Acts of Parliament more as a matter of habit than of real authorities by recent Acts of Parliament been increasingly subordinated to the central Departments, but, in addition, those central Departments have been increasingly freed from the control of the increasingly freed from the control of the co those central Department control of the creasingly freed from the control of the Law Courts. Mr. Lloyd George's Budget of 1909 was the worst offender in this respect. As the Finance Bill embodying that Budget was originally drafted, in no fewer than thirty-four cases provision was made for exempting Somerset House was made for exempting Somerset House Minar P's Liniment Cures G arget in Cows

Mabel, visited Mr. John Mr. John

As the Bill was passing through Parliaent many of these cases were cut out out in the Act as passed a great many stil, emain. In subsequent Acts the same pecially in the Acts dealing with national insurance. The explanation of this ten-
