"THIS wonderful Medicine has effected many truly surprising cures in cases of the torpid complaints. And we say no more than hundreds and thousands who have used it know whereof they speak. It is now in every part of the country, and the most celebrated physicians are anxious to have it."

It does not interfere with the motion of the bowels, producing Constipation, and its attendant evils, but a pro- ducer of a strong, healthy, and healthy action in the stomach and intestines.

ALL RHEUMATIC AFFECTIONS,

Local Pain, &c., it has given temporary relief to many cases of Neuralgia, and long standing cases, (the Cramp). In these painful affections, it is a great blessing, and, if used early, will not only bring relief, but enough to hurt the patient, till an irritation is produced in the bowels, and in severe cases the patient should take half a teaspoonful on sugar of cream.

CRAMP IN THE STOMACH OR BILIOUS CHOLICK.

We believe it will cure every specific cure. It should be given at a time, on sugar or molasses, or in any manner the patient can take it, and the stomach and bowels freely bathed. And if fifteen or twenty minutes after taking it, the patient still feels pain, take a small dose, as soon as possible, and continue to do so, and intended to injure my reputation.

DR. CURTIS' PERFECTION CRAMP AND PAIN KILLER, was the Medicine recommended by the first Physician, and by the Press, as the first, and best Remedy for Neuralgic Complaints.

It's subtile particles attention to the fact that it does not contain a particle of Opium in any form. Neither does it contain Camphor.

It is free from any deleterious article, and cannot, in any manner, injure the patient.

It does not pervert the periodic motion of the bowels, producing Constipation, and its attendant evils, but a producer of a strong, healthy, and healthy action in the stomach and intestines.
