of Planategenies Water, Place

Ar Area.

Siz.—I have hitherto refrained from giving you my opinion of the Planategenet Water; but the time has now arrived when it is just, both to the public and yourself, that I should do so. I state. then, frankly, that I have the highest opinion of the Planategenet Water, which I consider superior—in fact, far beyond comparison, with any other mineral water with which I am gother mineral water with which I am seed to the Blotel Dieu Hospital, and with the more than the Blotel Dieu Hospital, and with the more than the Blotel Dieu Hospital, and with the more could not be affely employed. I have reference could not be affely employed. I have reference could not be affely employed. I have reference could not be affely employed from the word is more in the state of the superior of the water by them, being perficulty satisfied of its great utility.
