## CHILD GETS SICK CROSS, FEVERISH IS CONSTIPATED

A laxative to-day saves a sick child to-morrow. Children simply will not take the time from play to empty their bowels, which become clogged with waste, liver gets sluggish; stomach sour.

Look at the tongue, mother! It coated, or your child is listless, cross, feverish breath bad, eyes do not clear heartily, full of cold or has sore throat or any other children's ailment, give a teaspoonful of "California Syrup of Figs," then don't worry because it is perfectly harmless, and in a few hours all this constipation poison, sour bile and fermenting waste will gently move out of the bowels, and you have a well, playful child again. A thorough "liver cleansing" is sometimes all that is necessary. It should be the first treatment given in any sickness.

Beware of counterfeit fig syrups. Ask your druggist for a "California Syrup of Figs," which has full directions for babies, children of all ages and for grown-ups plainly printed on the bottle. Look carefully and see that it is made by the "California Fig Syrup Company."

A serious riot occurred a few days ago on board a ship in Belfast harbor. The boat had come from America with horses for the army. Besides the crew there were a large number of horse attendants, all colored. The men had been ashore drinking and when they came aboard started to "do in" the second engineer, against whom they had an imaginary grievance. It was going hard by the engineer when the officer in charge of the military defences of the dock came to his aid. The officer threatened the men with his revolver, but the crowd produced revolvers and missiles of all kinds and started firing. The noise brought armed police on the scene and a regular battle took place. A number were wounded on both sides, but finally the police quelled the mob and arrested the ringleaders.

Three million dollars will be asked to fortify Plum Island for the greater protection of New York city.

Miss Alice Langhorne, one of the famous "Langhorne beauties" was found unconscious on her mother's grave.

Henry Ford has reiterated his opposition to preparedness, and condemnation of war. He blames capitalism.

## RUSSIA AND ITALY WILL JOIN COUNCIL

### At Next Meeting of War Council All Allies Will be Present at Session.

Understanding Between England and France Now Arrived At.

By Special Wire to the Courier.

Paris, Nov. 19.—The next meeting of the allied war council will be held in London. It is likely that the Russian and the Italian governments will designate representatives to attend this council. One session of the war council in Paris this week was held at the foreign office, and another, presided over by President Poincare, at Elysee Palace. In addition, also, several members of the French and British committees had long consultations apart. Premier Asquith, who is acting temporarily as war secretary conferred with the French war minister, General Gallieni, A. J. Balfour, first lord of the British admiralty, with Admiral Lacaze, French minister of marine; Premier Briand, who is in charge of the French portfolio, with Sir Edward Grey, British foreign secretary, and Albert Thomas, French under secretary of war for munitions, with David Lloyd George, British munitions secretary. It is understood that an understanding has been arrived at in regard to various subjects, and energetic action is expected to result.
