

"BEST MEDICINE FOR WOMEN"

What Lydia E. Pinkham's Vegetable Compound Did For Ohio Woman.

Portsmouth, Ohio.—"I suffered from irregularities, pains in my side and was so weak at times I could hardly get around to do my work, and as I had four in my family and three boarders it made it very hard for me. Lydia E. Pinkham's Vegetable Compound was recommended to me. I took it and it has restored my health. It is certainly the best medicine for women's ailments I ever saw."—Mrs. SARA SHAW, R. No. 1, Portsmouth, Ohio.

Mrs. Shaw proved the merit of this medicine and wrote this letter in order that other suffering women may find relief as she did.

Women who are suffering as she was should not drag along from day to day without giving this famous root and herb remedy, Lydia E. Pinkham's Vegetable Compound, a trial. For special advice in regard to such ailments write to Lydia E. Pinkham Medicine Co., Lynn, Mass. The result of its forty years experience is at your service.

CROP PROSPECTS

The prospects for a fruit crop is not as favorable as last year, when we marketed a half million barrels. With conditions continuing and a chance for apples to mature good size and no thinning required our crop for present year may not fall very far below that of last year. However a small crop compared with what we expect in a full bearing year, judging from what our orchards have already produced and the increase in size we could hope for a two million barrel crop, but do not desire such a crop until war conditions allow us unrestricted marketing.

The hay crop is every where very light. About 60 p. c. of a crop is the present outlook, continued rains and a little delay in gathering, may improve this crop very much. There is little clover in the crop of this year. Grass is now in demand and readily purchased at ten dollars per ton standing.

The bean crop suffered much from frost and also from worms which blighted them as soon as they were up.

The grain crop is showing up fairly well.

Potatoes are growing nicely and a very good acreage is reported.

Strawberries are now on the market and are a fair crop. The Blomidon section will have a goose crop to market later.

DAMAGE TO CROPS

The recent frosts were reported to have done an immense damage to the crop in Kings Co. While such is the case the loss is not as great as at first anticipated. The large bean crop throughout the county suffered heavily in all inland and exposed sections. Near the salt water the frost has no effect. Mr. Sam Chute of Berwick suffered a heavy loss in his full-brood of 65 acres of beans; about one third being destroyed. Tomatoes and early corn also suffered.

The stir in the atmosphere was probably sufficient to keep the fruit crop from being effected in any way.

In a year like this when every pound of food will be required for the need of ourselves and allies it is a serious loss to have so much of an acreage destroyed and have to be replanted. Yet we as a people, through this war are learning hardships by experience and should be thankful that frost rather than war which bleeding France and heroic Belgium are suffering has been our worst calamity.

Mr. and Mrs. F. E. Cox, were in Avonport last week visiting their relatives and also at Hantsport visiting Mrs. McLatchey.

Death of Former Kentville Resident

The sudden death of Mr. John McLeod took place at his home in Amherst on Friday, aged 64 years. By trade he was a moulder and held position in Yarmouth, Kentville, and Hantsport going from the latter place twenty-four years ago, to the foremanship of the moulding department of the Robb Engineering Co., Amherst, a position which he has faithfully filled during all these years. He was a man of sterling character, quiet in his disposition. In religion he was a Baptist. He is survived by his widow and one daughter, Nettie, wife of Colonel J. L. Ralston, M.P.P. Nova Scotia Highlanders; three brothers, Roderick, of Halifax; George, of Brunswick Me., and Hugh of Hatfield, Mass., and one sister Mrs. Alex. Grantymre, of Sidney. Mrs. Ralston has been with her father during his illness.

Capt. Hickling of the S.A. is leaving for Trenton, N.S. and Capt. Bryant of Inverness, will have charge of the work here. Lieut. Thornhill is now seeking the recovery of his health at the Sanatorium.

SAVE THE CHILDREN

Mothers who keep a box of Baby's Own Tablets in the house may feel that the lives of their little ones are reasonably safe during the hot weather. Stomach troubles, cholera infantum and diarrhoea carry off thousands of little ones every summer. In most cases because the mother does not have safe medicine at hand to give promptly. Baby's Own Tablets cure these troubles, or if given occasionally to the well child will prevent their coming on. The Tablets are guaranteed by a government analyst to be absolutely harmless even to the newborn babe. They are especially good in summer because they regulate the bowels and keep the stomach sweet and pure. They are sold by medicine dealers or by mail at 25 cents a box from The Dr. Williams' Medicine Co., Brockville, Ont.

The Long Arm of Mercy

By DR. FRANK CRANE

The Red Cross is the Long Arm of Mercy. It is the kindness of Mankind organized.

In the Man is an Angel and a Devil, a Dr. Jekyll and Mr. Hyde. The Red Cross is the Good, aroused, energized, to thwart the Bad.

It is the best antidote we know to the bane of war.

There are other charities more or less helpful. The Red Cross is the mightiest of all charities, the Love and Pity of men made supremely efficient.

If, as Emerson said, "sensible men and conscientious men all over the world are of one religion," this is the expression of that religion.

The Red Cross is Humanity united in Service.

It asks no man's opinion; only his need.

Black or White, Friends or Foe, to the Red Cross there is no difference; it only asks: "WHO IS SUFFERING?" And to him it goes.

The Red Cross is so Efficient that Government, recognize it; so Pure in its purpose that whoever wishes well his fellow men, desires to help it; so Clean in its administration that the most suspicious can find no fault in it.

The Red Cross not only seeks to alleviate the cruelties of war; it is the expression of those human sentiments that some day will put an end to war.

It is the impulse of Love, striving to overcome the impulse of Hate.

It is the Mercy's co-operation struggling against War's rivalries. It is the one Society in which every Man, Woman and Child should be enrolled, for it knows, no sects, no prejudices, no protesting opinion: the human being does not live that does not feel that the starving should be fed, the sick tended and the wounded healed.

Majestic and divine is this Long Arm of Mercy. It finds the fallen on the battlefield, it brings the nurse and the physician to the victim in the hospital, it leads the weeping orphan to a home, it feeds the starving, cares for the pest-smitten whom all others abandon and pours the oil of Help and Pity into the bitter wounds of the World.

Nova Scotia's Red Cross campaign is from July 8th. to 15th. and \$250,000 is the amount needed for our boys "OVER THERE." YOU WILL HELP!

Milledge Rafuse Dead

The death of Milledge Rafuse took place at the Military Hospital, Aldershot, on Saturday afternoon. He had been in a critical condition ever since Thursday night when he shot himself after wounding Mrs. H. Selig and killing Mrs. Eva Feener.

MARRIED

At the Methodist Parsonage, Kentville, on July 6th, by Rev. A. C. Borden, D. D. Duncan Stewart Cameron, of Aldershot Camp, to Olive Maria Vail, of Halifax.

DIED

Miss Thurber, of Digby County, is doing office work in the store of Yerns Kentville.

Died at Aldershot, Kentville, July 3rd., George W. Thurlow, aged 67 years.

Mrs. H. Barkhouse who has been teaching at Upper Burington is visiting her relatives in this county.

Mr. P. F. Lawson passed through Berwick on Friday morning on his way to Fernie, B.C., where he takes charge of the official organ of the United mine workers' association. He has been on the editorial staff of the Halifax Herald since the autumn of 1916. Mrs. Lawson with the children is at present in Grafton, but purposes to leave shortly to visit her mother in Illinois.

Add to your vacation pleasures

Canoeing and yachting have an added charm when there's a Victor-Victrola on board—music sounds unusually sweet upon the waters.

In the bungalow, or summer home, or camp—anywhere and everywhere—the Victor-Victrola is the ideal companion and entertainer.

CAPRONI HAS GREAT MACHINE

New York, June 27.—Signor Caproni, Italian airplane inventor, already has a machine capable of flying across the Atlantic, and is ready to send it to this country, or to build one here, according to his plans. The executive committee of the Aero Club of America was so de-vised last night by Lieut. Belloni of the Royal Italian Flying Corps. Hundreds of aviators he declared, would willingly undertake the initial flight.

Many Canadians Enlisting in B. S. on

Boston, July 3.—Five hundred enlistments for service in the British and Canadian armies is the record established at the British and Canadian recruiting mission at 44 Bromfield Street in the past two weeks. A majority of men who have been sent from Boston since the announcement of the signing of the new alien draft law have gone to the camps in Nova Scotia and New Brunswick.

Mr. Tom F. Anderson who has been visiting the province for several weeks has returned to Boston.

CANADIAN GOVERNMENT, PROVINCIAL and MUNICIPAL BONDS.

EVANGELINE'S LAND TO HAVE A SHRINE

A giant of the orchard in full bloom. The fisherman doing his bit.

A new Mecca is beckoning to devotees of art and religion. Its name is Nova Scotia. Already the artists have made their pilgrimage and returned with charming pictures of Evangeline's Land. A collection of sixty paintings, the work of six New York men, known as the Nova Scotia Group, were exhibited recently in New York and elicited much praise.

The pioneers of Nova Scotia have blessed a trail over which a brush and palette laden army will follow in seasons to come. They will come to paint the gentle beauty of apple-blossoms when the great Annapolis Valley is covered with a fragrant pink and white veil. They will come in cherry time to paint the rich red fruit and the happy people enjoying the Cherry Festival, a time honored custom. They will come in autumn to transfer to canvas the mad riot of brilliant coloring with which Nature paints the woods and hillsides and when the orchards groan beneath

their heavy burdened boughs of ripened apples. They will come at all seasons to picture the quaint fisherfolk and their quaint surroundings.

The Dominion Atlantic Railway that carries you around a half-circle from Halifax to Yarmouth, takes you through a Land of Romance, the Land of Evangeline. At the little station of Grand Pre you will find a wide meadow which is soon to be transformed into a shrine. Here, previous to 1778, stood the Roman Catholic Church of St. Charles, the church of the Acadians. To-day a massive stone cross marks the site of the old burying ground that surrounded the church and nearby is Evangeline's Well, with its long sweep.

The French Acadians have always cherished a reverence for this spot and now, through the generosity of the Dominion Atlantic Railway Company they may call it their own.

Memorial Park, Grand Pre, N.S.

The railway company has purchased this meadow and will make it into an old-fashioned garden surrounded with a rustic fence and has deeded a portion of the ground to the Societe L'Assomption, composed of French Acadians, of whom the Rev. C. V. Landry of Bitoche, N.B., is President. The only consideration for this transfer is the promise of the Societe to erect a chapel. This they are eager to do and plans are now under consideration.

With the dedication of the new shrine, large numbers of French Acadians from Quebec, Montreal and Upper Canadian points will make pilgrimages to Grand Pre similar to those made yearly to Ste. Anne de Beaupre. Their numbers will be swelled by many others who cherish a fondness for the gentle Evangeline and who will be eager to visit the scene of her story and to walk under the ancient willows that still guard this storied spot.
