AUSTIN'S EFFORT.

Poet Laureate on the Relief on
Mafeking.

London, May 21.—(Alfred Austin, the poet laureate, writes of the relief of Mafeking as follows:
Long as the waves shall roll,
Long as fame guards her scroll,
And men through heart and soul,
Thrill to true glory,
Their tale from age to age,
Shall voice and verse engage,
Swelling the splendid page
Of England's story.

Minard's Liniment Cures Diphtheria.

A PATRIOTIC DISTRICT.

"The residents of McKenough Ave.
are the most patriotic in the city,"
said Detective Archie Skirving, of the
Lake Erie. "Friday evening the boys
turned out there in great style and
burned Kruger in effigy. During the
conflagration the youngsters sang
God Save the Queen. As the flames
embraced the figure of the President
of the Transvaal an occasional robin
as a sort of prayer would yell God
save Kruger. It was really amusing,
yet withal a splendidly loyal exhibi-
tion and one that would strike a re-
sponsive chord in the heart of every
citizen of the Empire."

The Hat

Years ago, years before the first of our
stores began to present opportunities to the
good people of Ontario, no less a man than
Dr. Oliver Wendell Holmes had a word for
the hat,

"Have a good hat, the secret
of your looks."

No matter how good the clothes even if
we made them. No matter how good the
shoes or the tie; the bad hat, the old hat spoils
the whole outfit.

All kinds of good Hats

Men's soft felt hats, latest shapes,
Christy's make, in black, brown, Tobacco
and Pearl; special.

\$1.00

Men's back stiff hats in four differ-
ent shapes, from the latest block;

\$1.50

Soft felt hats in black, brown, and
Pearl, with fancy navy bands, extra
quality.

\$1.50

Men's stiff hats, the latest shapes,

\$2.00

Pembroke, pearl, and castor shades,
from the latest spring blocks of such
makers as Dunlop, Knox, Youman
and Christy.

\$2.50

There's a point to our hat trade and we
are getting the bulk of it. We find the best
there are and bring them here for you and put
the same price on them as if we made them,—
we cut out the jobbers profit just the same as
if we were manufacturers.
