Factories to Close Down-Schools May do Likewise-A Reception in the

Sir Charles Tupper passed through to Windsor this afternoon. He was met at the station by a delegation of citizens and arrangements made for his appearance here to-morrow. Sir Charles will return from Windsor by the early C. P. R. train and will lie over in Chatham in his private car. At eleven o'clock he will hold a reception at the Garner House. At one o'clock the public meeting will take place in the Grand Opera House, at which President Scullard of the Conservative Association, will preside Conservatives and Liberals alike are ordially invited to attend. The balony will be reserved for ladies and their escorts and it is hoped there will be a large turnout of the fair

The speakers will be, besides Si Charles himself, John Lowells, a well-known English speaker, and a member of the British Empire League, and Mayor Smi h. Mr. Lowells is accompanying Sir Charles on his Western trip.

The meeting will be over by three Since the opening of King street between the post office and the market complaints have already been made as to the prevalence of bidycle scorching on this street. The committee having in charge the arrangements are very much pleased with the readiness with which the manufacturers of the city decided to their employees an opportunity to hear the opposition leader discuss the questions of the day. Should the Liberals bring any of their leaders here during the Campaign, no doubt they will receive the same courteous-treat ment. Up to the time of going to press the following factories had notified the committee of their intention to close:

The Wagon Works. M. Campbell Co. Drader's Stave Mill, Blonde Bros. Park Bros.

The S. Hadley Co. Wm. Gray & Sons Co. John Piggott & Sons. Robert Milner Carriage Works. The T. H. Taylor Cc. McKeough & Trotter.

No doubt this list will be largely increased before night.

THE MINSTREL SHOW,

Vogel & Deming's Minstrels played to a crowded house on Saturday evening. The show was one of the brightest and cleanest minstrel productions ever put on in this city. The curtain in the first part ross on an original scenic creation styled "The Diamond Grotto." Walter Wilson's comic song. "Chicken," and John McQueen's rendition of "All Alone" were both truely funny. In the second part Tommy Hayes was responsible for some remarkable melodies which he made from glasses and other things. Van Bros. in harmony and comedy afforded plenty of amusement and were artists on most every instrument. One of the most entertaining and best minstrel shows closed with a high class acrobatic comedy by LaBarre, Cameron and LaBarre; burlesque artists.
