## FASHION'S FORECAST.

Elaborate Gowns For Dressy Occasions—Gorgeous in Coloring.

Brilliant colored cloth gowns are being turned out by the tailors for afternoon wear. Crushed raspberry, a shade

deeper than the Parisian, will be seen here in this country later in the season. Even as it is, a stray frock or two of this striking color are occasionally observed. These gowns are very smart when the coat has a collar and cuffs of terra cotta velvet.

Net frocks of crushed raspberry trimmed with rows upon rows of velvet ribbon are perfectly stunning for restaurant and evening parties.

Panne velvet is again smart, and charming frocks of London smoke are made up in this material. Indeed, this shade is a most serviceable one for a

Parisian.

The agonizing itching and burning of the skin, as in eczema; the frightful scaling, as in psoriasis; the loss of hair and crusting of the scalp, as in scalded head; the facial disfigurement, as in pimples and ringworm; the awful suffering of infants and the anxiety of worried parents, all demand a remedy of almost superhuman virtues to successfully cope with them. That Cuticura Soap, Ointment, and Pills are such a remedy, beyond all doubt, no statement is made regarding them that is not justified by the strongest evidence. The purity and sweetness, the powerful, immediate relief, the certainty of speedy and permanent cure, the absolute safety and great economy, have made them the standard skin cures and humor remedies of the civilized world.
