STYLISH
UMBRELLAS
SUITABLE
FOR GIFTS...

An umbrella is always a useful gift. Those we are now showing have beauty as well as use to commend them.

They look well, they wear well and the giver of one is held in grateful remembrance.

It would be sensible policy to buy some of these and lay them away for Christmas gifts.

Shall we engrave one or more for you? This we do free.

Christmas Perfumes

We are displaying in our KING STREET WINDOW part of our stock of Christmas Perfumes and Soaps. A casual look at the window will give you an idea of the size of our stock this year. It is better and larger than ever before, and we invite you to call and see what we think is the best assortment of Christmas Perfumes ever shown by any druggist in the county.

We have some beautiful CHRISTMAS SOAPS at 50c, 75c and \$1.25 per Cake. These are becoming more popular every year for Christmas Giving.

The Local Budget

Only two more days of the hospital benefit sale at VonGuten's.

A. J. Wright, of Glenora, called on his Chatham friends yesterday. Invitations are out for a big dance in Blenheim to-night. A number from Chatham will attend.

Let Gibson take your baby's smile. Your friends will want one of the smiles for a Christmas present.

A magnificent organ and a finished musician combine to make the organ recital at the First Presbyterian church the treat of the season.

Just twelve presents for Christmas at a small cost by having your photograph taken at Gibson's.

Seats for "His Highness the Boy" go on sale to-morrow morning. This is a comic opera company carrying sixty people.

Lost, fluide and case, Tuesday, Dec. 5th last, between Mull and Chatham via Creek Road. Finder will be rewarded by leaving at this office.

The Ladies who have charge of the benefit sale, at VonGuten's kindly ask all city customers who conveniently can to do their buying before Saturday.

The market in dressed hogs is gradually advancing. There was a good delivery on the market square yesterday, and the price paid was \$7.00. The market looks firm at the present time.

Last night a large box of sterling silver soup, bulion, dessert, tea and other spoons, the very latest, arrived at VonGuten's and were immediately placed on sale for the hospital benefit.

On the Shelf

of every home in Canada there should be found a bottle of Shiloh's Consumption Cure, the Lung Tonic, for Coughs, Colds and all irritations of the throat, lungs and air passages. It is easy to take, gives instant relief and cures permanently.

Generation after Generation have pronounced Shiloh to be the safest, surest, quickest and best family cure for Colds and Coughs. Nothing has ever been found to take its place in the home. Try Shiloh and be cured, or say you were not and get your money back. Isn't this fair?

There is no cure like Shiloh for Coughs, Colds, Croup, Sore Throat, Hoarseness, Bronchitis or Whooping Cough. My oldest son was almost dead. The doctor could not relieve him. He used two bottles of Shiloh and was completely cured. It has no equal.

WORTHY COMPANY

The Bijou Comedy Company are attracting great crowds to the Grand Opera House this week, which is undoubtedly due to the fact that they have one of the best repertoire companies on the road to-day. They have had record houses for stock companies, every night, and will no doubt continue to have them for the remainder of their stay. They are worthy of unlimited patronage.

Last night the bill was Neil Gwynne, and it was put on in an excellent manner. To-night they play "Under Two Flags." This is the play which is being put on as a benefit for Mrs. John B. Alger, and a packed house is assured.

NOT RUNNING

"I understand," said Ald. Austin, when interviewed by The Planet this morning, "that the London Press reported me as being a probable candidate for the mayoralty this year. Now, you may say for me that this is entirely erroneous, as I have never entertained the thought for a moment. I consider Ald. Marshall has a paramount right to it over any man in the city. In fact, as there is not any by-law, so far as I am aware, to be submitted to the people at this election, I would be pleased to see Ald. Marshall elected by acclamation, as just now he is extremely busy getting the Defence Iron Works into good running order. I think it would only be a just tribute of thanks to Ald. Marshall, as he was largely instrumental in bringing this splendid industry to the city."
