### THE ACADIAN.

WOLFVILLE, N. S., FEB. 12, 1897.

#### Local and Provincial.

Mr. J. L. Franklin, of this town, has been appointed a J. P. We extend our congratulations.

The principal and teachers of Acadia Seminary will be at home to friends and patrons of the school, on Monday, Feb. 15th, from 5.15 to 6 o'clock.

Mr. W. S. Wallace, of Wolfville, and Mr. "Andy" Spence, of Windsor, are playing a game of checkers by mail. Each of the players makes one move a week by postcard.

The admission fee to Mr. Gaudier's lecture is 10 cents. Children, 10 cents.

A large amount of our space this week is occupied by the paper of Mr. W. C. Archibald. The paper contains many valuable points, and will no doubt be read with interest by most of our readers.

The members of the C. E. Society of St. Andrew's church were entertained by the president, Mrs. C. M. Murray, at her residence on Monday evening last. A delightful evening was spent with the various parlor games and music.

Friday, the 19th inst., is the date set for "No. 9's" assault-at-arms. The boys are getting up their drill in fine shape, and an exhibition of a high order may be expected. Go, and take some one with you. You will see how soldiers are made.

It took no less than thirteen horses to convey the Acadia Villa boys on their drive last Wednesday. Mr. W. J. Barron supplied two of the teams, and handled some one of them. The ladies were driven to Kenville, and if their smiling countenances could be taken as an index, had a most enjoyable trip.

"Elevating, instructing and deeply impressive," describes Mr. Gaudier's lecture. —Turo.

A very pleasant time was had on Monday evening when the members of Wolfville Division, S. of T., were visited by a number of the members of "Lily of the Valley" Division, of Port Williams. A goodly number of visitors were present and Temperance Hall was well filled. The business of the evening having been disposed of, an excellent literary and musical programme, in which both societies participated, was well rendered and much enjoyed. Stirring addresses were made by the Deputy, T. J. Borden, C. A. Campbell, S. Ellis, O. G. Cogswell and others. Towards the end of the evening refreshments were passed around, and after a short time spent in a social way the session was closed in the regular order.

"From first to last the lecturer held the large audience with his earnest treatment of his subject." —New Glasgow.

A preliminary meeting of the "Kings Co. Cooperative Coal Co." was held on Wednesday afternoon in the Town Hall, about fourteen being present. George Thomson, Esq., was chosen chairman and A. E. Caldwell secretary of the meeting. After a discussion of the aims and methods of the new company it was decided to elect provisional directors and insert the usual notice in the Provincial Gazette required previous to applying for incorporation. It was deemed better to omit the clause in the prospectus appointing agents in advance, and leave the matter in the hands of the company after incorporation. The provisional Board of Directors is Geo. Thomson, J. E. Smith, T. L. Harvey, G. W. Borden and Dr. Keirstead. The stock list is still open and names will be received by G. W. Borden or W. J. Higgins.

Installation services are to be held on the occasion of the settlement of Rev. J. B. Morgan in the Baptist pastorate, in connection with the District Meeting of the Baptists of the county to be held here on the 16th inst.

The movement of apples is becoming more brisk. L. O. Neely & Co. have on their full force of packers this week getting ready a large shipment for Messrs. Dick & Borden.

There is more call for beef and potatoes of late also.

The farmers and shippers are becoming more hopeful as the financial outlook brightens.

Mrs. N. P. Spurr returned home from a visit to her sons in Boston and New York a week ago, much invigorated and pleased with the trip.

The school in the new section is prospering to the satisfaction of its projectors and all concerned, under the management of teachers Mr. Parsons and Miss Coleman. A number of pupils from neighboring sections are in attendance.

Surrounding schools are doing fairly well—better than formerly, under the half year system of engagement of teachers. And still there is room for further improvement especially in the outlying sections of the county. When the sectional tax is merged into the county fund the way will be opened for a permanent betterment of these schools.

Mr. V. H. Skinner's singing-school, at Welton Corner, gave a musical concert on the 9th inst. It reflected much credit upon both teacher and school.

#### Baptist District Meeting.

The next Kings' Co. District meeting is to be held at Aylesford, Feb. 16th. Papers will be presented on "Systematic Penitence" and "Place and Power of the Holy Spirit." Interesting discourses may be expected. In the evening there will be a Recognition Service, when the new pastor will receive the formal welcome of the church and of his brethren. The public are cordially invited to all the services.
