The annual recital by the faculty of the Acadia Conservatory of Music and Elsie Ayle, was given in College Hall on Monday evening before a large and appreciative audience. Dr. Fisher, the new Director of Music, had been heard before at the organ but his proved Monday evening that he was as much master of the piano as of the organ. Miss Patillo is possessed of a sweet voice and delighted the audience with several songs. Miss Jones proved herself an accomplished violinist and well merited the hearty applause she received. Miss Ann Gordon's reading, Barrie's one act play entitled 'Rosalind', was listened to with a great deal of pleasure. As a soloist as well as in her accompaniments Miss Gordon proved herself a pianist above the average.

Wolfville Boys Returned.

Among the returned men by the steamer Aquilant which arrived in Halifax on Thursday of last week were two Wolfville boys, L. Corp. Ralph Ewe and Pte. James Paris.

They reached Wolfville on Friday morning and Saturday morning, respectively, and were given a glad welcome by relatives and friends.

Lance Cpl. Ewe enlisted in July, 1915 in the 40th Batt., with which he went overseas in October of the same year. He was transferred to the 5th Canadian Mounted Rifles and was buried while on active service with them in Belgium in June of 1916.

Pte. Paris enlisted in the 85th Batt and went overseas in October of 1916. He was wounded in the stomach and hip at Passchendaele. Both are looking well considering the experiences they have gone through.

At The Baptist Church.

The services at the Baptist church on Sunday last were under the auspices of the College V. M. C. A. and Y. W. C. A. and were of a missionary character, being the closing meetings of a missionary conference held by the above societies last week.

Interesting addresses were given by returned missionaries. Rev. Mr. Robb, of the Presbyterian Board, spoke in the morning with reference to the wonderful work in Corea, and Miss Helen Blackader, who has been 25 years laboring with the Telegram in India under the Canadian Baptist Missionary Society, gave a very pleasing and informing address in the evening, describing some incidents of her work in this country.

In the morning, Miss Marie Wilson sang a pleasing solo. It was announced that the College Societies would endeavor this year to raise \$200.00 for missionary purposes, which is about double the sum raised last year.

A Good Soldier.

The following letters received by Mrs. Fred Abbott, speak in unmistakable terms of high esteem in which her late husband was held by his comrades in arms. THE ACADIAN gladly gives them space:

4 10, 1918. DEAR MADAM—I regret to inform you of the death of your husband, No. 322141, Corp. Abbott, F. M. I. who was killed at duty 25 9, '18, in the service of his King and country.

I cannot expect by any words of mine to alleviate the sudden sorrow which has come upon you, but it may help you to know that your husband was beloved by his comrades in arms and by all who knew him. He always did his duty bravely and well, and he died doing that duty.

Allow me to extend to you the sympathy of every officer, a non officer and man in the Company in your sad loss.

Yours Sincerely, THOS ROYER Lt. A. C. 'C' Coy 8th Can Inf Bn. France, Oct. 17, 1918

Mrs. Maud Abbott, Wolfville, N. S., Canada. My Dear Mrs. Abbott, I wish to convey my sincere sympathy in the loss of your noble and heroic husband, Corporal F. M. Abbott.

Your husband was with the Battalion on the night of September 25th, when he was instantly killed by the explosion of an enemy shell. I was quite near him at the time but when I reached him he had gone to the 'Homeland'.

Corpl. Abbott was a splendid soldier, always courageous in the performance of his duty. Because of his wily principles he was greatly beloved by officers and other ranks. We sincerely mourn his loss and sympathize with you at this time.

May God bless and sustain you in this sad hour. Sincerely, BRUCE HUNTER, Capt. and Chaplain.

Shoes That Stay the Route

It isn't the flash of the first two rounds of freshness that counts. Shoes may look good on your introduction to them; in the pink of condition; fit for the route; but they may only LOOK it. What they do when you get into them, how they stand the grueling of wear is the point. Hartt Shoes are built for any route and all sorts of feet. They have the unaffected punch of real style, quality, workmanship and a fit that stays right through to the finish.
