

is a favorite expression used by friends when you complain of the first attacks of rheumatism. "It will pass away" they tell you, but instead it grows worse and worse. Sometimes it does pass away, only to return a few days later in a more severe form. Don't let your friends assuage your fears with mere words; what you want is practical treatment, and there is no better treatment than with the great ent than with the great

South American Rheumatic Cure It gives immediate relief and will save you much suffering and prevent further attacks of this dis-tracting and dangerous disease, Geo. W. Platt, Manager, "World's" Newspaper Agency, Toronto, says:—"I am at loss for words to Gen, W. Platt, Manager, thus a specific Agency, Toronto, says:—"I am at less for words to express my feelings of sincere gratitude and than affulness for south American Rheumata Cure. I had a severe attack of rheumatic fever and your remedy relieved and cured me."
