were arrested for fighting. Both resisted and broke away. Antoine was recaptured and handcuffed to a tie post in frent of a hotel and the constable started after King. When he returned with him he was surprised to find Antoine and the tie post both missing. After sending King to the station in a wagon, he found Antoine some time later, a long way down the road towards frome, dragging the tie post along and still handcuffed to it. A man named Whitaker, who, it is claimed, helped him dig up the post, was arrested on a charge of aiding the prisoner to escape, but was allowed to go, as it was proved he was not the man. The two Indians were discharged.

It is surmised that a fight was started, and Fitzgibbon was struck or pushed over, and his head striking on the hard pavement his skull was fractured. He was picked up unconscious, and was taken to the hospital in an ambulance, and laid in the shade to recover. Finally doctors were called, and he was taken home. Fitzgibbons did not regain consciousness, and died this morning, as stated.

STABBING CASE.

Italian Committed at St. Catharines

For Assault.

(Special Despatch to the Times.) St. Catharines, Ont., July 13 .- Police

St. Catharines, Ont., July 13.—Police Magistrate Munro, of Thorold, yesterday committed Nichol Pelogalis, an Italian, for trial for stabbling a fellow Italian, Nicola Duniffa, during a row in the Italian quarters near the new canal on Saturday evening. The injured man was badly slashed about the face and head. The prisoner was arrested by Chief Darby in a hollow near the G. T. R. station, where he was awaiting the arrival of a freight train by which he hoped to make his escape.

Some One Did it Against the

Decision of Trustees.

Dundas, July 13.-The Valley Town

has furnished the country with another "flag incident," which created no little

stir among its citizens yesterday morn-ing. At the last meeting of the Board

ing. At the last meeting of the Board of Education a request was presented from the local Orange Lodge asking that the school flag be hoisted on July 12. The request was not granted. In the next issue of one of the town papers there appeared a letter in reference to the matter which seemed to reflect on the loyalty of the members of the Board. But caim followed the little storm, and nothing happened to stir the feelings of the people until yesterday morning. As early as 5 o'clock it was found that a flag was flying on the school building, contrary to the Board's decision. Early in the forencon Chairman Douglass, hearing of what had been done, ordered through Chief Twiss the taking down of the flag, which was done.

MONTREAL LIVE STOCK.

MONTREAL LIVE STOCK.

Montreal,—At the Montreal Stock Yards, West End Market, the receipts of live stock for the week ending July 10, were 2,250 cattle, 750 sheep and lambs, 2,150 hogs and 1,350 calves. The offerings this morning consisted of 1,100 cattle, 350 sheep and lambs, 1,075 hogs and 375 calves.

There was a stronger undertone to the market for cattle and prices show an advance, as compared with those paid on Wednesday last, but they show no change with the market of a week ago. The strength was attributed to the fact that supplies were smaller and especially so of the top grades, as the bulk of the offerings consisted of half finished grassers. The demand for good, useful stocks was good and the trade in such was fairly active, notwithstanding the close sultry weather, but the lower grades moved slow. There was no demand from exporters on account of the weaker cable advices received from Liverpool, which noted a decline in prices.

hearing of what had been done, ordered through Chief Twiss the taking down of the flag, which was done.

But this "flag incident" was not everything that occurred in the Valley Town yesterday. At the June meeting of the Town Council a request was presented asking it to have the flag hoisted on the Town Hall on the 12th, but the Council did not take the matter seriously, and the matter was left in the hands of Mayor Lawrason. As there was no flag on the Hall at early morn, the Mayor was promptly waited upon by a deputation, requesting that the town's loyalty be shown by having the flag hoisted. But, it is understood, the Mayor declined, pointing out that the Town Hall and the town flag are the joint property of all the citizens, and that to hoist the flag on such an occasion, while it might gratify the feelings of the few, would offend and aggravate the feelings of others.
