A. A. McLeod, Esq., barrister of this city, and Mr. Henry Wood, Esq., have been chosen as the Conservative candidates for the Belfast district at the coming Provincial election. This is a good team and we hope to see them both elected.

FOLLOWING is the message sent by Her Majesty Queen Victoria, to all parts of the Empire, on her jubilee day: From my heart I thank my beloved people. May God bless them. To this the Governor in Council of Canada replied as follows: The Queen's most gracious and touching message, this moment received, shall be immediately made known to your Majesty's people throughout the Dominion, and will give fresh heart to all. On this, this memorable day, we offer the glad tribute of loyal devotion and affectionate homage. God save and bless the Queen.

The Home Comfort Range Co., have removed their headquarters from Summerside to Charlottetown where they will be located for the next three months. The manager, Mr. W. M. Erwin, is a gentleman of more than ordinary business ability and has earned the good will of all with whom he came in contact by his courtesy and promptness. It speaks well not only for the quality of the "Home Comfort" Range but for the ability of the salesman that they were able to dispose of 200 ranges in the six weeks they have been in Prince County. These they have sold to some of our foremost farmers, and judging from the testimonials which have from time to time appeared in the columns of the Farmer the purchasers are well satisfied with them. All the transactions of these men will appear to have been conducted honorably and above board. Personally we know nothing of the qualities of these ranges as we did not purchase one but judging from testimonials above referred to and the transactions we have had at this office with the manager, Mr. Erwin, we are of the opinion that the range is all it is represented to be. We wish the company success in Queen's County, Summerside Farmer. (The advertisements of this company and numerous testimonials appear in this issue of the HERALD.)

KIDNEY DECEIT.

How Many are Unintentionally Deceived in Treating Kidney Disorders—Can You Afford to Trifle with Your Own Existence?—If you suspect there is any Kidney Trouble, Discharge Pills, Powders and Cure-Alls—South American Kidney Cure is a Time-Tried and Testified Kidney Specific.

A remedy which dissolves all obstructions, which heals and strengthens the affected parts, and which from its very nature eradicates all impurities from the system, is the only safe and sure remedy in cases of kidney disorder. Such a remedy is South American Kidney Cure. This is not hearsay. The formula has been put under the severest of tests, and it has been proclaimed by the greatest authorities in the world of medical science that liquids—and liquids only—will obtain the results sought for. A liquid remedy taken into the system goes directly into the circulation and attacks immediately the affected parts, while solids such as pills or powders cannot possibly attain those results. Kidney disorders cannot afford to be trifled with. The quickest way is to take that which combats these insidious ailments. This great remedy never fails. It is a liquid kidney specific. It is a solvent. Sold by GEO. E. HUGHES.
