An Open Letter

NORWOOD, JULY 14TH, 1910

Dear Sir, or Madam :--

Owing to the continued pressure of our numerous patrons, and the incapacity of our Norwood Store to cope with the large and ever increasing Farm Trade, we have decided to open up a Branch at the Packing Plant.

The Store will be situated in the North west Corner of the New Block opposite the Transit Hotel, and on the Main Road. There is a large number of the farmers who find it very inconvenient getting in to town for their provisions during the busy season; so it is to your advantage that we are opening a Branch at the Packing Plant.

We intend to carry a large and varied stock of General Merchandise, amounting to about \$10,000, consisting of Dry Goods, Boots and Shoes, and Greceries. The stock will be a new one, bought specially for this store, and we expect to open about the 15th of this month

Our expenses will be light and we can save you anywhere from 15 to 20 per cent. on your purchases.

Flour, Feed and Groceries will all be fresh and new.

Dry Goods and Gents' Furnishings at prices that will surprise you.

Boots and Shoes from the finest manufacturers in Canada, at Rock Bottom Prices. Peabody's and King of the Road Overalls for men of all sizes.

Produce will be handled either for CASH or TRADE.

Goods will be delivered to the country by our own delivery wagon to any reasonable distance.

'Phone your orders.
