WILL STOP BULGAR IRREGULARS

PARIS, To-day.

A Havas despatch from Salonika under Tuesday's date, says the Greek authorities will take measures to prevent bands of Bulgarian Irregulars from crossing the Greek from

lars from crossing the Greek fron 'DESCARTES' NEW ORDERS.

WASHINGTON, To-day, Paris, that the French Government had ordered the captain of the cruiser Descartes to act with great care and circumspection and not stop any more American vessels. The cruiser recently stopped three vessels in Porto Rican waters and removed Germans, who since have been re-

CHURCHILL COMMANDS BATTAL-

LONDON, To-day. First Lord of the Admiralty, who re signed subsequently the Cabinet post of Chancellor of the Duchy of Lancaster and went to the front with his regiment, has been appointed to com-mand the Battalion of Royal Scots Fusiliers at the front of France, according to Reuters correspondent at British Headquarters. This will prove the stepping stone to the command of the Brigade, which is said to be Maor Churchill's ambition.

ARTILLERY EXCHANGES. LONDON (Official), To-day.

Yesterday morning a hostile bom ing attack, supported by artiller; about Armentieres and Lille railway was driven off. Our artillery to-day bombarded the enemy's lines damagng trenches considerably.

THE LONDON BUDGET. LONDON. To-day. Some idea of the determined natur of the Russian blow on the Bessara bian front, is conveyed by Petrogram despatches yesterday which state that the Russians for 50 hours concentrated four hundred guns on the Austrian positions at Czernowitz as a preparation for an infantry attack.
The Russian communications do not claim that Czernowitz has fallen, but House of Lords in ample time for passage before the end of the month. In some quarters talk of a general election still persists, but it is cerdespatches from German sources admit their position is critical. It is not clear whether the Russian operations in this theatre herald a big general offensive movement of all the tions in this theatre herald a big general offensive movement of all the Russian armies from the Baltic to resort to the ballot. Gossip generally the Roumanian border, or merely indicate a diversion of the unparalleled magnitude and flerceness designed to weaken the pressure of the Central has been of the most bitter character, according to both the Austrian and Russian reports. Few prisoners are eing taken and the infantry engagements are largely in the nature of Russian operations thus far revealed Russian operations thus far revealed are being pressed along the railway lines, which simplify the problem of the winter supply of food, ammunition and fuel. The situation along the other fronts is comparatively quiet. The loss of a British submarine by a mischance of navigation off the Dutch

Death of Mrs. Robt. G. Rendell.

Word was received this morning that Mrs. Robert G. Rendell had passed away in Virginia, where she had been staying for her health. A few days ago word was received that she was doing well, but it appears a little time ago she caught cold and it developed into pneumonia to which she time ago she caught cold and it developed into pneumonia, to which she succumbed this morning. Mrs. Rendell was a daughter of the late Mr. A. M. Mackay, and leaves behind to mourn her four daughters, Mrs. Norman Alderdice and Misses Mary, Cicely and Joan Rendell; three sisters, Mrs. C. Marshall, Mrs. T. McNeli and Mrs. Melville; and three brothers, Gower, William and Eric Mackay, to whom the Evening Telegram extends sympathy. oast makes a total of eleven British

submarines lost since the beginning of the war. A majority of these, however, have been of the smaller and County Authorities declare the situation is beyond their control. The estimated fire loss is three hundred An echo of General Sir Ian Hamilthousand dollars. Two regiments from Columbus, Ohio, are on their ton's important review of the Dardanelles operations, is found in a report published to-day that General Sir Frederick Stopford, who was recalled on account of his conduct in

RADICAL CHANGE IN GERMAN STRATEGY FORESHADOWED.

the German strategy, which has already begun to take effect in the Balagreed that Premier Asquith will have little difficulty in filling the vakans, and which involves the first official admission of a breakdown in the campaign against France and cancies in his Cabinet caused by the resignation of Mr. Henderson, and Powers in the Balkans and incidentally on the Italian front. The fighting
tary. Herbert Samuel, at present

Russia, is foreshadowed by reports
reaching Paris from Switzerland, which are credited in well informed quarters here. Prince Hohenlohe, Postmaster General, is the man most talked of as Sir John A. Simon's sucdisguising his identity with the title cessor, but there has been no general agreement in the gossip as to the as Count Kaft, is the Kaiser's Chief Commissioner, with Prince Buelow working in Switzerland for a separprobable man for Mr. Henderson's place. One of the most interesting ate peace with France and Russia, which would leave Germany's hands suggestions heard in London yester-day was the proposal to introduce a referendum as the alternative for a general election, if dangerous hostilfree to combat with Great Britain's steadily growing military strength.
Prince Hohenlohe recently told a ity appears to be developing in the country at large, during the later stages of the Conscription Bill before Parliament. A referendum frequent-Swiss friend that his Emperor's plans were now bent in a direction totally different from that toward which he had looked in the beginning of the war. He believes that the deadlock ly has been suggested in England dur-ing the past few years as a desirable addition to the executive machinery on the western front is complete, and has finally acknowledged that what his army could not do in 1915 against of the Kingdom and was adopted as a part of the Unionist platform of France it is unlikely to do in 1916. The sporadic activity marking the a part of the Unionist platform of constitutional reform five or six years ago. Additional prominence was given to it in Dec. 1910, when A. J. Balfour, then leader of the Opposition, gave his pledge at a monster Unionist meeting in London that no Tariff Deferred Bill would be enacted with turn of the year was merely the result of orders he had issued to his Generals to test the present strength of the Franco-British lines. Nowhere could a weak snot be found, a Reform Bill would be enacted with-out its submission to the referendum. fact which caused the Kaiser no sur-A Bill providing for the use of the referendum in disputes between the House of Lords and the House of prise. As regards the eastern front offensive early in the spring have been dropped because the dwindling of effectives opposing the Russians ommons was introduced in Parliament with innuential backing, in 1911, but was not pressed to the final stages. The advocates of the refer-endum now plead that the question of compulsion, being isolated from swelling man power, Germany's chances of a decisive triumph are no great enough to justify the carnage of a new onslaught against the Muscovites would entail. Such an offer sive was put beyond the range of other questions of domestic politics, is suitable as the test of a popular vote. Moreover, they say that the vote, even of the men in the trenches possibility, when the Franco-British expeditionary forces get safely within the Salonika lines, and the French Premier M. Briand swung the British on a simple yes and no question, could be taken without inconvenience, whereas the ordinary Parliamentary ballot would be impossible. round to the policy of using that por as the starting point for an ultimate Balkan offensive. Premier Briand's policy commits Germany to the east-ern drive more completely than the LONDON, To-day. Kaiser had loped. The best German opinion reaching Paris from Switzer Control of the contro land admits that Germany's Balkar programme was largely a bluff, which Briand called when he won through on his Salonika stand. Unable to re-ly solely on the Bulgarians and the Turks to defeat the Franco-British forces there even should Greece continue to look on while her hereditary enemies invaded her soil, the Kaiser was compelled to divert to the Varder Valley men who would otherwise be Valley men who would otherwise be employed stemming the Russian tide, which is expected to rise to its height-flood stage early in the summer. A War Council, attended by the leading men of the Empire, is reported to have been held in Berlin during the turn of the year, and is said to have weighed all the possibilities of the situation and to have decided in favor of the Kaiser's newest plan which consists in a supreme attempt at bluffing France and Russia into the belief that Germany is the possessor of tremendous latent strength, sufficient to intimidate them into acceptance of a peace which would leave BRITISH SUBMARINE ATTACKS CONSTANTINOPLE.

ance of a peace which would leave the impress that both countries had emerged honorably from the trial of trms. YOUNGSTOWN, Ohio, To-day.
