As a protest against this lying statement, he tore the paper to pieces in front of the fishermen, who approved of his action by cheering loudly

### THE RESOLUTIONS.

The following resolutions were submitted and unanimously approved by

### RESOLTION No. 1.

WHEREAS the price of fish in

AND WHEREAS it has been made to appear to us that interference with free export from the Colony and free sale abroad have much to do with the

RESOLVED that it is the opinion of this meeting that there should be no restriction upon the right of any person to export fish, or to sell i abroad by such agents or means, and for such prices as he may deem wise. and that all existing Regulations to the contrary should be repealed.

### RESOLUTION No. 2.

WHEREAS the sale of fish at reumerative prices is a matter of uni-

AND WHEREAS the operatives,

nechanics and laborers of this Colny are directly interested therein nly second to that of the Fishermen, AND WHEREAS the control of the export of fish, and with that its sale and price in the local markets, is now in the power of a Board of Exporters who exercise a practical monopoly to the general disadvantage of the peo-

RESOLVED that this meeting urges the importance of meetings of this kind being held in all parts of the Colony to express the public will, AND RESOLVED that the various unions of operatives, mechanics and laborers throughout the Colony be asked to co-operate in our demands.

## RESOLUTION No. 3.

WHEREAS the Hon. W. F. Coaker's Organ-The Advocate-has announced that all Labrador No. 1 Fish will be purchased for \$8.00 per quintal: AND WHEREAS there is now much unsold fish in vessels in port, and much daily arriving;

RESOLVED that the Committee be authorized to name a committee of five persons to wait on Mr. Coaker o-morrow to have him arrange the sale of all of such fish at the price named, without delay.

## ANOTHER RESOLUTION.

Mr. J. Dempsey of the L.S.P.U., ame to the platform and moved another resolution, though he did not ask for a seconder. The resolution was as follows:-

RESOLVED that this meeting call upon His Excellency the Governor and demand that he send a compe tent man to New York to engage the ervices of two experts on sanity to isit here and examine the brains of

Squires and Coaker. In doing so Mr. Dempsey said that Squires and Coaker had imported some chartered accountants here at a cost of \$15,000, and the only work they performed was to measure the coal bins at the General Hospital Mr. Dempsey made a very fine speech lealing with unionism.

After a hearty vote of thanks had been accorded the chairman the meeting closed at 9.30 with National An-
