Your Cemetery Plot
We need your attention to put in for the summer months. It may be a MONUMENT or a HEADSTONE. Why not get one from us? We will have that artistic effect that will make it look distinctive from every other memorial. You may have a monument in your yard. Let us put in some work on it and remove the traces of the weather by polishing and painting it again. You may want another inscription carved. We attend to all this work during the next few months. A letter or call at our Showroom will put us in touch with an up-to-date and complete service that stands for satisfaction.
