RAILROAD MAN WAS CHEATED OUT OF MEALS.

Discouraging Stomach Trouble Had L. N. Gagnon Going Down Hill Rapidly Until He Took Tanlac--Like New Man Now.

"I was cheated out of a good many meals while I had stomach trouble, but I'm making up for lost time now," said L. Napoleon Gagnon, 53½ Salsberry St., Quebec, a well-known Canadian-Pacific Railroad man. "For a long time I had been unable to get any satisfaction about eating and felt tired and worn out so I could hardly work. I was very discouraged, too, because I could see I was going down hill every day and there was no relief in sight. "It certainly was remarkable the way Tanlac came to my aid. I am feeling like a new man now, have the appetite of a woodchopper and everything I eat agrees with me. I certainly never intend to miss a chance to put in a good word for Tanlac." Tanlac is sold by all good druggists.

Who's Who?

IN THE MANHATTAN MUSICAL COMEDY CO.

Ladies and Gentlemen--MISS RUTH OSWALD--THE LEADING LADY.

Born some twenty-five years ago, the daughter of the Rev. Dr. C. L. Oswald, Pastor of First Presbyterian Church, Freeport, Long Island, Miss Oswald has had a notable career as she appears on the stage to-night. A graduate of the Baltimore Conservatory of Music, a student under the great Melba, and previously under Mr. Fermin, she possesses a training which gives her singing and acting a charm all its own, and herself an ability obvious to even the superficial observer. Following a period of concert work at New York, Philadelphia and Chicago, Miss Oswald was for three years with the celebrated Henry W. Savage, in the great producer's successes. Then she was featured as prima donna in Frank Tinney's "Tinkle Me" Company.

Of quiet tastes and studious habits, Miss Oswald is an extremely likable young lady--quite unostentatious and democratic. Her favourite opera is "Louise," and her main ambition that of playing the title part in it. Her experience in Grand Opera included the part of Mimi in "La Boheme," and Aida in the opera of that name. Her favorite pastime is horseback riding, her favourite authors Mark Twain and Robert Louis Stevenson, and the part she has enjoyed playing most "Peggy" in "Have a Heart."

Miss Oswald will be delighted to make your better acquaintance at the Casino.

"Hoist Your Sails."

Hoist your sails and run for the Casino Theatre to-night. Go early if you would get a good seat. Better phone Hutton's first to see if you can get a ticket.

It's Flavor that Makes the Meal!

And the sauces that the Libby chefs have adapted for you give flavor to the simplest dishes.

It may be eggs, or macaroni, or a cheap cut of meat--an unusual and delicious sauce will make it something you eat with delight and remember with pleasure--because of its flavor.

LIBBY'S CATCHUP and CHILI SAUCE are made from red, ripe tomatoes, grown in the fertile soil of Kent County, Ontario, picked when they are mellowed by the sunshine of long summer days, then rushed to the nearby Libby kitchen.

Here in sunny rooms the tomatoes are cooked with fragrant spices, onions, sugar and the best vinegar--cooked for hours until all the flavors are blended through and through.

Now the sauce is ready to give an appetizing relish to your steaks and chops, or a new piquancy to the meat gravy you serve with your roasts.

Your grocer has, or can get you, Libby's Catchup or Cmn Sauce. Use it with your cold meat teas and note how quickly the second helping is necessary.

The delightful flavor of Libby's Beans is due largely to the wonderful Sauce prepared by the skilled chefs. Have you tried them?

Household Notes.

To give the stove a smooth, attractive surface, rub with a soft cloth dipped in melted paraffin.

A non-poisonous fly paper is made by painting oiled paper with equal parts of molasses and varnish.

When using the fireless cooker, use metal radiators for quick baking and soapstone for slower baking.

Chop left-over meat and use in a highly seasoned, jellied meat loaf. Garnish with slices of hard-boiled egg.

French dressing made with lemon juice instead of vinegar is better in flavor and will stimulate the liver.
