## In the Realms of Sport.

### TO-NIGHT'S BASEBALL.

A really good brand of ball should be dished out to the fans to-night in the clash between the B.I.S. and Cubs. The game starts at 7.15 sharp with Chief Chessman in control, and Messrs. Murner and Skinner in the score-box. The lineup will be:—

CUBS.—Doherty, Clouston, Murphy, Watson, Canning, Manning, Sawyers, J. Murphy, Gosse, Hall, Phelan.

French, Delaney, O'Donnell, Johnson, J. Power, M. Power.

### YESTERDAY'S EVENTS.

Adverse conditions in the forenoon changed to rather ideal ones later in the day for the various sporting events yesterday which really opened up the track and road events for the season.

The Guards' at St. George's Field

had the biggest card on their second annual meet and it was a very creditable program indeed.

The 100 yards had seven competitors of which Tom Butler (A.A.A. champion) struck the tape first in 11.1, being a fifth short of last year's meet.

In the mercantile relay race only two firms entered—Bairds and the White Clothing. It was won by Quick, McNeil and Pike for the former by a comfortable margin.

The football semi-finals were between the Guards' playing the three Quicks, Thistle and Gushue, and the C.L.B.'s five, Snow, Chafe, Rendell, Hennesbury and Burridge. The first period resulted in no score but the Guards' secured a corner of Hennesbury in the second. In this game Referee Hunt enforced the new English rule to the effect that a penalty be awarded should the goalkeeper handle the ball outside of his goal area.

The whip-it race was highly diverting, each competitor being provided with a wheelbarrow carrying a passenger, with a tippy bridge in mid-field to be surmounted. We always knew that LeDrews express was noted for its promptness and despatch and 'twas no surprise to see "Bill" LeDrew carry off the honors, with Arthur Jenkins a close second.

Grant Burnell had things all his own way in the 3 mile walk, against Moore, Kennedy and O'Neill. At a mile and a half he had lapped his opponents. Moore finished second. Burnell was in great form and romped off the two miles in 16.56½. Steele's A.A.A. time last year for the one mile was 3.26½, and another meet between the two is anxiously looked forward to.

The pole vault saw the defeat of Dick Fraser, the A.A.A. champion, by Gordon Haller with a height of 8 ft. 3 ins. Fraser's won the championship last year with 8 ft. 3 ins. and finished second yesterday.

Another A.A.A. title holder was put aside when F. Colfield was defeated by his brother Bill who threw the hammer 84 ft. 1½ ins., being 19 ft. ½ inch more than last year's distance. Tom Morrissey was second, with F. Colfield (A.A.A.C.) third.

Tommy Morrissey (A.A.A.C.) successfully defended his title in the shot put against a large entry list. Although he was 5 ft. 2 ins. short of his last year's effort of 36 ft. 6 ins. W. Colfield got second place.

The quarter mile was the best event on the card and a spectacular

finish brought the crowd to their feet. The two A.A.A. favorites, Fred Phelan (last year's winner) and Tommy Butler were in it and it was conceded it was going to be up and back. Gerry Halley threw a fit to their camp however when he got away at the smoke and led the other two a merry chase to the corner flag. For half the distance he maintained his lead when suddenly they both flashed passed him. The finish was spectacular. At the last corner Phelan was feeling his oats with Butler two feet behind him. About 6 yards from the tape Butler collapsed but Phelan managed to cross the line with difficulty thus retaining his laurels. 'Twas a pretty race and Halley was a great surprise. The time was 57 secs.

The Cadets (Canning, Flynn, Morris, Madden and Tommy Noseworthy) and Highlanders (Pike, Butler, Hopkins, Duckworth and Sawyer) clashed in the second bout of the semi-finals. The Cadets completely out-matched the Kilbies beating them by 2 goals and a corner to 0.

Spurrell, G. Egan, Kent and Ron Taylor, the Boston A.W. runner, lined up for the half mile. Starting at an easy clip Egan led, with Taylor, Kent and Spurrell trailing. At the third round Egan spurred and won easily by a quarter of a lap with Spurrell second. Time 2.21½ which was ¼ sec. short of Ray Halley's 2.30 in the A.A.A. meet last year.

Always a popular item the Tug-of-War found the Cadets and Guards Old Comrades in action. In the first pull the Guards had 4 inches to the good when time was up, and in the second they pulled the Cadets out of their shoes winning by a full cleat.

There was a number of aspirants to the 220 yard honour—Ned Martin, Walter Callahan, Fred Phelan, G. Halley, Eddie Phelan, and Gushue—all anxious to wrest them from Tommy Butler the A.A.A. holder. 'Twas a fast clip, Butler being first with Halley and Phelan on his heels. Halley got second place. The time 26½. In the A.A.A. meet Butler's time was 26 ft.

The B.I.S. and Fieldian relay teams tried conclusions and the latter right sturdily upheld their A.A.A. The teams were—

Fieldians—Eric Jerratt, Ron and Albert Martin.

B.I.S.—R. Halley, Fred and Eddie Phelan.

The 1 mile was disappointing. Winner being the only entrant against the A.A.A. champion Skirving. The former only lasted two rounds. Taylor became ill after the half mile and

was unable to compete. Even at that young Skirving clipped a second off his previous record, and his manager, Mr. Etna Goodland, claims that the course as laid out yesterday was 50 yards too long.

A fitting finale to a successful program was the football finals between the Guards and Cadets. It took 37 minutes of gruelling play for the Guards to score a corner thus giving them the cup.

The prizes were awarded by Mrs. Jas. S. Pitts, who also very graciously presented the A.A.A. trophies won at the championship meet last year.

The Belvidere 3 mile saw ten roadsters start off. Young O'Toole who made such a good showing against Bell last year was the victor in 16.43½, with Bell Thorburn second, and Bailey third.

The Guard's relay team captained by Tommy Butler won the brigade relay race for the Ellis Cup.

There was great fun at St. Michael's in the mile event. It was won by C. Stone. His brother George and J. Russell tried for second place. Later in the evening they again tried conclusions with the same result. The Committee then very generously decided to give a prize to each.

In the football final the Star defeated the C. L. B. by 2 goals to 1, but lost out to the Guards in the final by 2 goals to 1.

St. Michael's again defeated the St. Mary's tug-of-war team and are now the proud possessors of the Dowden Cup. The two year special cup was also won by St. Michael's.

R. Vasey and B. Sawyers won first and second place in the 100 yards. The broad jump was won by Barney Hart and W. Reid. W. Casey won the sack race and E. White the potato race.

Wearied by their efforts at St. Michael's and their own sports the Guards succumbed to the Saints in last night's league fixture before a large gathering of fans. In the first period, no scoring was done, but ten minutes after half time nice combination between Foster and McNeil permitted Sawyer to score. Shortly after the Guards' backs fumbled the ball near the penalty line and McNeil broke through, nothing up. Number two Foster and Pilon for the Saints played professionally. In fact the whole team last night seemed to have the game at their finger's tips.

To-morrow night's game will be between the Cadets and Star, and the outcome will be a factor in deciding the championship.
