CHIROPRACTIC!

(DEFINITION.) Chiropactic is a philosophy, science and art of things natural; a system of adjusting the articulations of the spinal column, by hand only, for the correction of the cause of disease. (This definition is inclusive and any and all other methods are hereby declared not to be Chiropactic.) ALL ELSE BELONGS TO OTHER METHODS. Chiropactors, who know Chiropactic as defined, confine their thoughts, actions and office work to it. By doing more than the above, they openly confess that they are ignorant of Chiropactic or are manifestly for money irrespective of the good they can do the sick.
