Outer Cove Garden Party

To-morrow afternoon, should the weather prove favourable, the annual Garden Party in aid of Outer Cove Parish will be held. And the many friends of Rev. Father O'Callaghan, who intend to spend the day at this thriving settlement will find that nothing has been left undone by those in charge, to make the affair a greater success than on any other occasion. The lady workers of the Parish will serve excellent teas and refreshments whilst all forms of amusements necessary to ensure an enjoyable evening will be provided. Outer Cove Garden Parties have for long past been recognised as festivals at which genuine entertainments and hospitality is dispensed and besides the cause to which the proceeds are devoted is indeed a worthy one. Outer Cove is known as a place of wonderful scenic beauty and the church building and grounds will as well be worth a visit to-morrow. At night the affair will conclude with a dance in the school house which will put the finishing touches to the splendid programme prepared in connection with the Garden Party, motor cars from the various Taxi companies will run regularly from Rawlins' Cross to Outer Cove during the day, and a reasonable rate for the journey has been arranged.

A Successful Student

News was received from England yesterday that the Rev. J. A. Meaden, B.A., L.Th., Rector of Burin who took the examination for the M.A. of Durham University at Queen's College early in June has satisfied the examiners and had been granted this degree.

Mr. Meaden is a graduate of Queen's College where he qualified for the L.Th., passing on from there to Durham for one year to take the B.A. degree. The subject he took for the M.A. examination was the whole of the New Testament in Greek with a study of the main question of criticism and the examination was a real test of scholarship. We congratulate Mr. Meaden and his Alma Mater on his success.

WHAT little dresses in perfectly bewitching shades are now possible with wondrous SUNSET! Yes, your children can have them easily, quickly, at almost no expense, and how proud they will be! You needn't say a word—just dye the faded or dull-toned dresses, bloomers, rompers, in smiling, SUNSET fast color, and every little garment will look really like new.

SUNSET-dyeing takes only a pleasant half hour; your hands are unstained, your utensils unspotted. The pan washes clean (as after any cooking)—ready to cook in again.

Remember this—each cake of SUNSET dyes any fabric—silk, wool, cotton, mixed goods.

Once you've used SUNSET for the children's clothes you'll surely want to begin upon your own.
