NFL: REPRESENTATIVES SAIL- ING TO-MORROW.

Athletes All In Splendid Shape.
Amongst those sailing by the Rosa-
hind to-morrow, for Halifax, are the
runners Ronald O'Toole, John Bell,
Gower Stone and Jake Ralph. In
charge of their manager and trainer,
Mr. Eric Robertson. The above named
will represent Newfoundland as a
team in the annual Halifax Herald
10-Mile Road Race, which big event
takes place on Saturday week, October
17th. During the past ten days the lo-
cal athletes have been training faith-
fully under the supervision of Messrs.
Cullen and Robertson, and are now
feeling in fine fettle and ready to go
forward and do their utmost to bring
honor to their native land. We have
every confidence that the runners will
finish well up to the front, and should
one or the other fall to reach that
much coveted goal (first place honors),
the team as a whole will make up for
the loss by bringing back at least the
team prize. In view of the splendid
showing made by Bell in 1921, and
O'Toole in 1924, many are of opinion
that a Newfoundlander will be ac-
claimed the Champion this year. This
is Newfoundland's year, and let us
hope that one or the other will come
through with flying colors. No doubt
the sporting public of St. John's will
be present at the pier to-morrow
morning to give the boys a rousing
send-off. All arrangements have been
made for their arrival in Halifax. Bon
voyage and the best of luck.

LEO MINELLO WINS ANNUAL HAL- FAX TO WINDSOR GRIND.

New Waterford Rider Has Three Miles
Lead On Nearest Rival, Dunphy,
Of Chebucto Club.

Leo Minello, New Waterford, Cape
Breton, with a lead of nearly three
miles on his nearest opponent, John
Dunphy, Chebucto, romped home an
easy winner in the Windsor to Hal-
fax bicycle race, covering the 45 miles
in 2 hours, 41 minutes, 51 2-5 seconds.
Dunphy covered the course twenty
minutes slower than the big Italian
rider.

Hampered by poor roads and motor-
ists who persisted in crowding in on
the riders, Minello set the pace all the
way, and although some minutes be-
hind the record for the course, held
by George Walker, Charlottetown, fin-
ished comparatively fresh. Several
riders challenged in the first few
miles, giving Minello a merry chase
of it, but the pace set by the Italian
was too fast and he forged ahead to
stay.

Minello is a brother of Hughey
Minello, who won the event last year.
The winner of Saturday's race finished
second in 1923, his first try at the dis-
tance, and was fifth last year.

Dunphy, Cox, of Charlottetown, who
finished third, Dibbon and Hunt made
a race of it for second place and it
was the grandstand finishes of the four
named which had the large crowd in
an uproar at the finish.

shall be commenced by a place-
kick.
Well, if the ball has not been kick-
ed, and a player has been sent off in
the circumstances named, may he be
replaced by another player?

Most followers of the game know
that a player cannot be "off side" from
a corner kick, seeing that all the play-
ers are bound to be behind the ball.
But how many know that the same ex-
emption applies in the case of a goal
kick. Yet this is specially provided
for in Law 6.

Take for supposition, a match be-
tween Montreal and Toronto. The
Toronto centre forward standing well
within Montreal's half of the field with
only two of Montreal's players in front
of him receives the ball direct from a
kick-off from his own goal and he
races away and scores. What an up-
roar there would be if the referee
awarded a goal. The crowd would
assuredly say the Toronto centre for-
ward was offside; yet the referee
would be perfectly correct in award-
ing a goal.

Law No. 1 states that a goal cannot
be scored direct from a kick-off, but
for all that it is possible for the cen-
tre forward to score a legitimate goal
without any other player on either
side touching the ball.

I say it is possible, but certainly not
likely to happen. But it could happen
in this way. Instead of the usual pass
to his inside forward the "centre" lifts
the ball over the heads of his oppo-
nents towards their goal and quickly
follows it up himself. Before anyone
else touches the ball he is tripped by
an opponent. Taking the free kick
himself, he shoots straight into the
net, and although the ball has not
yet been touched by a second player,
the referee must allow such a goal to
stand good.

Fortune Bay Fishing Story Travels

AN END OF THE SEASON FISH
STORY.

The following reference to the
trout fishing exploit in Fortune Bay
is taken from the Acadia Recorder,
which took it from the P.E.I. Agri-
culturist, which quoted from the
Telegraph:

"The largest trout caught in inland
waters on the rod was the beauty
caught last week near Alberton by
Ralph Forsythe. It weighed four
pounds and fourteen ounces. Mr.
Forsythe, however, should try his
luck in Newfoundland year.
Charles Poole, of Belleoram, is fish-
ery warden for Fortune Bay, Nfld.,
and on returning from the western
end of the district during the last
week of August he fished at Old Bay.
Commencing at 8.0 p.m., he fished un-
til 10.30 p.m., and for two hours the
following morning. He landed with
his rod sixty trout. After giving
away ten he went to Coombs' Cove
the following day where the remain-
ing fifty fish were weighed. The
weight was as follows: 4 weighing
9½ lbs. each, 22 weighing 10 lbs.
each, 7 weighing 10½ lbs. each, 17
weighing 8 lbs. each.

These facts are taken from the St.
John's (Nfld.) Evening Telegram,
which publishes them over the sig-
nature of Hon. W. R. Warren, ex-
Premier of Newfoundland.
