Fergus Correspondence.

A snor was fired through the window of Mr. Argos' house last week while the family were at dinner, and some of the lads barely escaped being shot. A ball was also fired into a bed-room window of Mr. Castell's house. Such careless use of fire-arms should not be allowed, and parties seen shooting round the streets should be punished.

The weather is all that can be wished for, and the harvest is now about completed.

The Wellington, Grey and Bruce Railway have bills printed, advertising a cheap trip from Paisley to Guelph during the week of the Central Show in the latter town.

The new post-office is now roofed in, and will soon be ready for use.

Mr. Peter Griev, the enterprising proprietor of the Ontario House, is putting a large addition to his hotel, which will give greatly increased accommodation.

Henry Ward Beecher lectures in Montreal on the 2nd and 3rd October.

Special Notices.

THE RECENT CASE OF DEATH by strychnine poisoning from taking SYRUP OF HYPOPHOSPHITES, noticed in the Montreal Daily Witness of August 1st, renders great caution necessary not to confound Dr. Wheeler's Compound Elixir of PHOSPHATES and Calissaya with COMPOUND SYRUP OF HYPOPHOSPHITES. Observe well the difference in orthography and bear in mind that incidentally there is no similarity in action or effect.

PHOSPHATES ARE ABSOLUTELY NECESSARY to sustain life, being an element of every solid and fluid of the body, and they are incapable of injurious results at any period from infancy to old age, or under any possible condition of the system, and no more harm can result from taking more than the prescribed dose than from eating too hearty a dinner.

It soothes the irritated or inflamed part, and gives rest and quiet to the sufferer.
