"I was troubled with catarth for over two years. I tried various remedies, and was treated by a number of physicians, but received no benefit until I began to take Ayer's Sarsaparilla. A few bottles of this medicine cured me of this troublecome complaint and completely restored my health." Jesse M. Beggs, Holman's Mills, N. C.

"When Ayer's Sarsaparilla was recommended to me for catarrh, I was inclined to doubt its efficacy. Having tried so many remedies, with little benefit, I had no faith that anything would cure me. I became emaciated from loss of appetite and impaired digestion. I had nearly lost the sense of smell, and my system was badly deranged. I was about discouraged, when a friend urged me to try Ayer's Sarsaparilla, and referred me to persons whom it had cured of catarrh. After taking half a dozen bottles of this medicine, I am convinced that the only sure way of treating this obstinate disease is through the blood."
