Prof. Smith and Dr. Briggs May Secede from the Presbyterian Church—A Large Following Claimed

for Them. for Them.

New York, Feb. 18.—The Sun's Cincinnati special says: "During his visit here Dr. Briggs held a conference with Prof. Smith and his friends, resulting in an agreement for concerted action of the heresy leaders. Dr. Briggs said his opponents with the exceptions were preachers without charges, while he was heartily supported by the pastors and churches, who would go with him in case of a dissolution. It was agreed to secede and form who would go with him in case of a dissolution. It was agreed to secede and form new churches in case the General Assembly decided against Dr. Briggs. This action is dependent on the result of the Briggs case. It is almost conceded that that verdict against Smith will be sustained in the Synod of Ohio. Dr. Briggs remarked that they would certainly have Union College, and Prof. Smith assured him that he would carry over Lane Seminary to the seceders. Dr. Briggs and Prof. Smith have assurances from the larger congregations in New York, Chicago, Cleveland and Cincinnati that they will be supported by a controlling majority in whatever action they take.
