#### SOX COME BACK **DEFEAT DETROIT**

Naps Lose to the Browns in Reported That Cleveland Has Fourteen Innings—Results in American.

Chicago, April 22.—The Tigers lost their second game of the season here this afternoon, when Billy Sullivan's White Sox partially repaid the Champs for the three straight drubbings administered them in Detroit last week. The game was won in the eighth by a score of 3 to 1, after Detroit had scored the first tally. It was the opening of the local season here and yesterday's postponement greatly diminished the attendance. Only 8,000 fans turned out.

Cleveland, Ohio, April 22.—Fans were in a ferment today over a report that the Nap management has offered pitchers Liebhardt, Berger and Falkenberg to Chicago for Ed. Walsh. Manager "Billy" Sullivan, of the White Sox, is quoted as saying that under no consideration would Walsh be traded. Comiskey himself could not be located.
