

Savings Accounts

Are appealing to the thrifty more and more every day.

Rich and poor alike find that it is a great advantage to have a Savings Account to draw from when the occasion demands.

Many people at one time or another have contemplated saving money, and perhaps vaguely promised themselves to do so, but they have an impression that they cannot open a savings account unless they do so with a large sum of money as the first deposit. This, however, is a mistaken idea, as this **STRONG OLD BANK** solicits accounts of **ONE DOLLAR** and upwards. As a matter of fact we are very partial to small accounts for the reason that they are generally permanent, and steadily grow.

START NOW. Never mind how little. Save something. One year hence you will wonder why you did not start sooner.
