Toronto, March 28.—The Chippawa probe will be conducted by a royal commission." This was pretty definitely amounced in Government and it is an expected to the law preventing judges acting on royal commissions can be relaxed, it is understood that a judge will hold the commission. To relax this act it would be necessary to take up the question with the Dominion government and it is assumed that this will be done. Of course, no member of the Legislature will be on the commission. The argument advanced by members of the government in favor of a commission rather than a committee of the House is that the question is such a big one, and the allegations so serious that it is necessary to have the probe completed as soon as possible. If a committee of the House were to investigate it would drage in it is committee of the House were to investigate it would are not intered to consist and the allegations of the House were to investigate it would be commission.
