## Plan Formation of Ontario Quebec Baseball League

Joe Page, Montreal Baseball Impressario, On Way Here To Sell Idea-Mint and Central Leagues Meet Today, However.

Galt, Jan. 3.-Joe Page of Montreal, scout of the Chicago White Sox in Canada, and president of the Eastern Canada Baseball League, in the city here today on business, gave out a secret. He has in mind a new professional league for Canada. The Eastern Canada had a most successful year in 1922, the Montreal Club alone making over \$30,000, and the association is now considering

extending its territory to include Ontario and make it an eight-club league. Mr. Page is on his way to London to interview the management of the cumsens to discover if the London and Hamilton Clubs are tied up in the proposed merger of the Mint and Central Leagues, and if not, he stated, that negotiations, would be opened to include these two teams, with Peterboro in the Eastern Canada League which, if this scheme went through, would mean that the league would consist of London, Hamilton, Peterboro and Ottawa on the

Ontario end, and Montreal, Hull, Sherbrooke and Three Rivers as the Quebec end. The Valleyfield franchise of last year has been transferred to Hull, and Mr. Page also announced that the Ottawa franchise had been transferred to Tommy Gorman, well-known ex-newspaperman and now secretary of the Connaught Park Jockey Club and secretary-treasurer of the Ottawa Senators hockey team, and Tommy Ahearn, well known in the civil service. The proposed Ontario Quebec League is practically on the lines of the old Canadian League.

Flint to talk over a merger of the two circuits proposed some time ago, so Mr Page's arrival is at least one day short of being opportune. Norman Keane and ecretary Rhodes of the local club will attend the meeting at Ffint today, and are going with instructions to vote for a rearrangement of the circuit. However some hitch may occur in today's negotiations whereby time would still be given

SPRAGUE CLEGHORN, CANADIENS, The alleged "bad man." This is the player about whose playing the managers of the St. Pats and Hamilton teams wrote an official letter of protest to Frank Calder, president of the N. H. L. An Ontario-Quebec baseball circuit sounds good, but on closer inspection it is distinctly reminiscent of the old Canadian League, only more so. Paying for long railway jumps was one of the rocks on which the old circuit dashed to pieces. The league suggested looks as if the Canadian National lines might pay dividends on the Ontario divisions the first season. A closer grouping of Ontario cities might make the proposed circuit more attractive, but all the smaller one-time strongholds of professional ball, such as Guelph, Galt and St. Thomas, show a decided preference for the amateur O. B. A. brand. Peterboro looks good on a map, but it doesn't look good to anybody who experienced the crowds met there during the old days.

It will hardly do, not as against the proposed merger of the Central and Michigan-Ontario Leagues. Here the question of jumps is a big one, especially Grand Rapids, but this is more or less proven ground, and Grand Rapids is only it miles further on than Battle Creek.

Still, as a social league, the proposed circuit would be a howling success.

Opener Here.

The juniors will hold a workout tonight at the Westminster Rink, the first
official turnout of the season at home,
though most of the youngsters have
squeezed in some sames besides the exhibition tilt played at Stratford a week
ago.

The whole squad is invited to be at
the rink sharp at 5, as Coach Ferguson
doesn't want to waste any time at this
late stage.

Both the juniors and the intermediates open their seasons Monday night,
the big team here with St. Thomas,
and the kids down at Glencoe. Both
have a hustle on their hands to get
shaken out for the tilts.

The intermediates may get on as well,
but if they don't, the Manufacturers'
League games tonight will serve as a
workout for a good many of them,
scattered as they are over the eight
teams.

The third period was uneventful, as far as scoring was concerned, although both teams worked to the limit. In the first overtime period each team netted a goal, but in the second ten minutes Lewis won the game by scoring from a mix-up in front of the goal.

In the last aftray Yorke Richardson was kept busy dishing out penalties, no less than five being given in the last period. The St. Andrew's aggregation had by far the heavier team, but the checking of the Wellington Street crew was 100 per cent better, and the lighter boys played a good game, although they were blanked 4 to 0.

McKillop, the winner's center, who was with the Strathroy intermediates last year, showed some good stuff, and played a steady game throughout. Southcott was in form, and delighted the fans with his rushes.

before a fairly large crowd, the cavalry men winning over the collegians, who formed the Gunners' team, by a score of 6 to 0. That the youngsters from Central should have been able to hold the ex-and-to-be O. H. A. team which the Hussars have mustered down to a 6 to 0 score gives the youngsters from the Central C. I. M. G. battery a moral victory, even if the actual count went against them.

In goal the Hussars had old "Hawk-Eye" Hal Watt, which accounts for the blanking, as they had the old vet blinking in the last two periods as they bombarded his citadel. Then they had 18 Southcott and another O. H. A. player on the defence, and so on from goal out. Sessions led the attack of the Machine Gunners, and, with Chapman broke up attack after attack. Grace on right wing for the Gunners also proved dangerous. As a matter of fact, the collegians put up a mighty fine game in every department, and without any practice at all. South London Collegiate basketball team made a great comeback yesterday in the game with the "Y" juveniles at the "Y" gym, pulling up from a 17 to 4 adverse score at half-time to a 21 to 20 verdict for the full time.

The southsiders were much better than the score indicated for the first period, but could not find the basket. In the second half they couldn't miss it. The line-ups: Win O. H. A. Kitchener, Jan. 3.—Guelph Juniors were outclassed by the Kitchener Junior team tonight, when they were beaten 13—2 in the opening of the local Junior team tonignt, when they were beaten 13—2 in the opening of the local junior O. H. A. season.

The Kitchener team played brilliant and unselfish hockey, combining well together and shooting with deadly accuracy. The two goals that Guelph got were long shots, both coming from the stick of Brill in the second period.

In the first and third stanzas the visitors were held scoreless. At the first breather the count was 3—0, at the second 6—2, and in the final 20 minutes the locals scored seven straight goals by brilliant playing.

Werner Schnarr was the star of the night, his stick handling being a treat, and he notched five of the locals' goals, while Slebert got three.

Grant, Brill and Stickney were the best of the losers.

they sent a record crowd of Hamiltonians home, praising them as the greatest team that has been seen here in action this season. Unlike the team of last season, Canadiens trotted out a team of speed merchants, all possessors of a wicked shot, and from gong to gong they had it over the Hamilton team like a tent. they had it over the Hamilton team like a tent.

In Joliat, O. Cleghorn and Boucher. Canadiens have a forward line second to none. They checked back in a manner that has seldom, if ever, been witnessed on local ice, and their rushing was one of the many features of a good game. From the outset Canadiens opened a three-man attack that the Hamilton defence could do nothing with, and it was only good work on the part of Forbes that held them to a single gool in the opening period. DYE'S SHOT DOES IT.

Toronto, Jan. 3.—"Babe" Dye's bufletlike shot from thirty feet out after six
minutes' overtime had been played, decided tonight's N. H. L. game here with
Ottawa, in favor of St. Patricks, Noble's
sweeping poke check hooked the pr.ck
away from Nighbor, and the former
passed directly forward within the offside area to Adams on the right boards.
Dye was left unchecked on the left
wing, and Adams gave the sharpshooter a perfect pass, and the latter
lifted the rubber into the net before
Benedict could get his eye on it.

It was a fitting climax to a game that
provided more fast skating and clever
checking than any fixture witnessed at
the arena gardens in several years. The
players kept up a gruelling pace, and in
the first, third and overtime periods
there was no let-up. Almost 8,000 fans
witnessed the contest. Before the game

Forest, Jan. 3.—A fast and brilliant hockey game took place Wednesday afternoon at Forest, between the local high school and the Strathroy Collegiate, resulting in a win for the high school by 3 to 2.

The game, which was fast and clean throughout, was featured by the very plucky exhibition of C. Rolling, who was playing defence for the high school, and playing defence for the high school, and also for the fine exhibitions of hockey given by Fortner, Du Loitte, Ross and Todd, and by Fortner and Smith for Strathroy. Smith's game in goal was particularly notable.

**VOTE AGAINST GERMAN** ATHLETES STILL STRONG

## Still, as a social league, the proposed circuit would be a howling success. With trips to Quebec in prospect, there wouldn't be any salary wrangles with the players, especially amongst the old timers. Matty Matteson might essay a come-back under these idvilic conditions. And then the finals between Hull and London? The other night as the fans were leaving the armories after the boxing show, one of the officials jokingly offered any of the fans their money back. One gentleman stepped up, and the official not to be outdone, prepared to pay back on demand However, he nearly took the count when the departing patron instead of saying "Here, hand over," said instead, "I have had two dellars' worth of entertainment here tonight. Here's another dollar." Monday night a lot of the local fans will attend the St. Thomas show. There are hockey fans cymical enough to say that all the legislation left to the O. H. A. is to set a salary limit. MY WORD, DOCTOR CONNER THE GOOD WIFE AND I ARE IN THE HAVE NOT DR. CONNER DELAVED THE THROES OF MORTIFICATION !-ER-AH- OUR COOK LEFT THIS EH 2- HA-HA . DINNER, MAJOR!
