

Tunnel City Hangs Up Sticks After Losing To New Hamburg, 3-1

SARNIA BIDS FAREWELL TO HOCKEY FOR SEASON

New Hamburg Defeats Tunnel City Squad 3 to 1 On Own Ice.

FINAL SPURT FUTILE

"Iron Man" McAllister Plays Entire Game With Broken Jaw.

Special to The Advertiser.
Sarnia, Feb. 18.—Sarnia said goodbye to O. H. A. intermediate hockey for this year when they fell before the fast New Hamburg sextet, 3 to 1, here tonight, and lost out on the series by 10 to 4. Sarnia was outskated and outplayed in every department, and for 60 minutes Russ McAllister, the Sarnia goalie, nursing a broken jaw from the last game, stood out against high velocity shots from every angle.

He stopped all but one in each period. The only thing that Sarnia team had was the will to carry on, and they never gave up for an instant, and as a reward, scored the last goal of the game five minutes before the end. Heinbecker opened New Hamburg's scoring at the end of the first. Lederman scored the second five minutes after the start of the middle period, and Roth the third half way through the last. Glen Jackson replying for Sarnia.

A crowd that packed the rink to the rafters saw the Blue and White go down to defeat. The vaunted Sarnia defence at times looked puerile before the rushes and combination of Roth, Bowman and Heinbecker, while Lederman and Trushinski easily checked Sarnia's best efforts forward. The only time Sarnia looked at all even was in the last ten minutes, which says something for their condition.

The line-ups:
Sarnia—McAllister; Mellon and Perry; O'Brien; Clark and Glen Jackson; subs, D. Jackson and Burgess.

New Hamburg—Oliver; Lederman and Trushinski; Roth; Bowman and Heinbecker; subs, Otto and Hamel.

See Heavy Title Battle In July

Associated Press Despatch.
New York, Feb. 18.—Negotiations for the proposed return world's heavyweight championship battle in New York about July between Jack Dempsey and Tom Gibbons may be completed tomorrow at a conference between promoter Tex Rickard and Jack Kearns, manager of the titleholder. Rickard said today he probably would build an arena somewhere in the metropolitan district, which would be available for the Dempsey-Gibbons encounter as well as the prospective return match between Dempsey and Firpo. He is disinclined to use either the Polo Grounds or Yankee Stadium because of seating difficulties there.

GARRISON PLANS TOP NOTCH SHOW

Several Likely Olympic Boxers To Appear Here On March 7.

A number of the boxers who will represent Canada at the Olympic boxing competitions in Paris this summer will be seen in action at the Garrison A. A. show here Friday, March 7. The chairman of the Garrison boxing committee visited Hamilton and Toronto last week, and returned Saturday with the signed entries of the very best performers of these two cities, and the card he has now arranged to appear up as the best ever presented anywhere in Ontario.

The show given by the local military organization last month was a standard that fans thought would be very hard to equal and practically impossible to surpass. However, there were one or two contests on the last card that were not all that could be desired in the way of matchmaking, but the only way to find out the merits of the various contestants is to get them together in a ring, and that is exactly what was accomplished at the last show. Jack Johnson of Toronto, Canadian bantam-weight champion, and Oliver Sarnia of Hamilton showed so much superiority over their adversaries here that a great deal of discussion opponents could be found for them in these parts of Canada, and Chairman Burns was on the verge of getting into touch with men in Cleveland and Buffalo. This, however, is now unnecessary, as a man here who made for each that will give them all they can handle. Stan Cummings of Toronto, Canadian welter champ, will meet Smith, while Frank Tye of Toronto will meet John D. Hamilton. Cummings and Johnson are looked upon as sure Olympic representatives.

Two Bantam Bouts.
In the 125-pound class, Bernard ("Curly") Murrell of London will meet E. J. Harris of Hamilton. Harris won the decision over Murrell here last month, while Murrell won this decision in St. Thomas. There will be two bouts in the bantam class. "Spider" Woodham of London will meet Bobby Booth of Toronto, while Harold Christie of London will fight Lint Green of Hamilton.

The featherweight class will bring together Mickie McDonald of Hamilton and John D. Hamilton. In addition to the Johnston-Tye go. Both these boys are reputed extremely fast. Jim Kerr of Toronto will meet Dav Smith, the local lightweight, while Buzz Moore of Hamilton will exchange punches with B. McGrath of Toronto. This boy Moore is a real comer, as he had little difficulty in disposing of Dave Smith at the last go here. He and McGrath have met once before, the bout ending in a draw. Their mix here will be to a decision.

In addition to Smith and Cummings in the welter class, Alex. Colvin, the local lad, will meet a boy from Hamilton, his definite opponent not yet being decided. Jack Christie, who is taking the place of his brother, Harry in the middleweight limelight, will meet either George Smith of Sarnia or John Forhan of Hamilton. Harry Henry of Hamilton has stepped up from the middle to the light-heavy class this year, and who has been cutting a wide swath in that division. He will be back again. The heavyweights will bring together Chas. McDoulin, Ontario champion, Toronto, and "Firpo" Williams of Hamilton.

If there is any individual in Ontario who can produce a better card than the one outlined above the Garrison officials would like to hear from him. The last show presented here had the 1,500 fans all agog, but when they see this card there is no telling to what lengths they will go in giving vent to their enthusiasm.

All travelling and hotel expenses for the out-of-town boxers and trainers are being paid by the Garrison, as well as \$300 being expended in prizes.

The reserved seat plan will go on sale at Brice's sporting goods store and Johnson Bros., jewellers, this week-end, and from advance inquiries received fans are advised to be early.

GLENCOE GOES UNDER TO WOODSTOCK CREW

Suffers 8 to 2 Loss in N. H. L. Clash in Baby City.

Special to The Advertiser.
Woodstock, Feb. 18.—Glencoe tumbled badly before Woodstock's senior N. H. L. crew here tonight, taking an 8-2 trimming in a game which was anything but strenuous. Woodstock thus qualifies to meet London for the group championship. Davenport was the best for the visitors, and his rushes won him applause from the fans. He notched the first goal for his team in the opening frame, and J. Weaver registered the other in the final act. All the local players, with the exception of Lynch, participated in the scoring, and Quick was the target for many long shots.

The line-ups:
Woodstock—Goal, Lynch; defence, King and Garvey; forwards, Douglas, Manore, Richards, Parker and Wood. Glencoe—Goal, Quick; defence, Davenport and D. Weaver; forwards, J. Weaver, Aldred, Riseborough and W. Quick.

Referee—Corker Legg, London.

Woodstock Hot Dogs or New Hamburgers? It's all the same order. The London Intermediates are not asking for any sympathy as a result of the N. H. L. decision, which has them meeting New Hamburg here Friday night in the first round of the consolation hockey series. They figure they have a better chance against Trushinski's crew than they had against McAllister. In New Hamburg Friday night McAllister let in seven goals out of 41 shots.

Sarnia had only 14 shots, but got three counters. It works out to being about one and one-half times as hard to beat McAllister as it is to beat the New Hamburg goalies. McAllister was always quite a burden on the local players' minds before the game started, which may mean that London fans may see one of the favored teams in the O. H. A. treated to a good stiff argument here Friday night.

THE OLYMPICS.
The story of how the track and field portion of the modern Olympic games has developed is told by the records.

At Athens in 1896 there were fourteen events. America won nine, England three, Greece one and Denmark one. This is including the marathon won by Loues of Greece.

The 100 meter run was won in 12 seconds, the 400 meter in 54 1-5 seconds, the 800 meter in 2 minutes 11 seconds, the 1,500 meter in 4 minutes 33 1-5 seconds, the 10 meter hurdles in 17 3-5 seconds, the broad jump with 20 feet 9 3/4 inches, the high jump with 5 feet 11 3/4 inches, the pole vault with 10 feet 9 3/4 inches, the shot put with 35 feet 2 inches and the discus with 95 feet 7 1/2 inches.

Schoolboys could beat those figures today.

At Antwerp in 1920, including the marathon and cross-country runs, there were twenty-eight events. The United States won nine events, Finland eight, Great Britain four, Italy two, and Norway, Sweden, France, Canada and South Africa one each.

LONDON C. I. RUNNERS GOING TO HAMILTON

Will Compete With Mountain City and Buffalo Teams February 29.

At a meeting of the athletic executive of the three local collegiate units last night it was finally decided to send a relay team to Hamilton Feb. 29. This action was the result of a letter received by Principal Miller from Captain Cornelius, Hamilton C. I. and Canadian Olympic coach, inviting the local boys to compete in a relay race between the Lafayette High School of Buffalo and the Hamilton and London teams. The captain stated that while he was in London on Olympic business he had the pleasure of coaching the locals a few tricks of the running game, and pointed out that real competition was needed to develop them. As a result he has extended this invitation to L. C. I. to compete in this special relay which he has added to the program of the dual meet between Lafayette High School and the Hamilton C. I.

The boys who, it is expected, will make up the team are all in good shape, as they have been doing some strenuous training in preparation for the Ontario indoor championships in Hamilton the following Saturday. There will be seven out to try for the team, one from East, two from South and four from Central. They will stage practices tonight and Thursday to prepare for the trials to be held in the armories Saturday.

R. J. Youngs—Goal, Richardson; defence, Billbro and Crites; center, W. Jamieson; wings, J. Jamieson and Rose; subs, Steele and Cartwright.

LONDON FANS WILL SEE BOBBY EBER IN ACTION

Canadian Bantam Champion To Fight in Winter Gardens February 28.

DOING COMEBACK

Eddie Green, Pennsylvania Battler, Selected As Opponent For Eight Rounds.

Bobby Eber, Canadian bantam-weight champion, will be seen in action here at the Winter Gardens on Feb. 28, and thus London becomes one of the stations on Bobby's journey back to the form, which means a world's title bout in Madison Square Garden. Eber is being managed by Walter Obenshore, born and raised in London, and for many years one of the city's most noted athletes. Eber fought his first bout since his illness two weeks ago in Brantford, and he appears in Toronto Wednesday night against Chalky Wilmer, the rugged Pittsburgher.

Obenshore, waved aside all overtures by Toronto and U. S. promoters for Eber's services for two solid months before he let him appear in Brantford. When the little manager saw Eber go through ten rounds in the Telephone City he passed the word on to Toronto that Eber was right and was speedily grabbed up for a main event.

Here Eber takes on Eddie Green, another rugged battler from the Pennsylvania hard coal regions, all a part of the climb Eber is making back to the place he left off four months ago when he was right in line for a crack at the world's bantamweight honors.

Eber showed his gall at Brantford against Dunn, a Cleveland fighter, that he was well on the road back. Dunn, a clever hard-bitting boy, was given a boxing lesson by the "Bad News" who fought from the third round with a broken thumb. The climb for Eber is not being made easy. It's being made as hard as possible, and Obenshore is not asking for any soft spots.

That was shown when he stacked Eber against Wilmer for Wednesday night, and it was shown again when he asked that Eber be given the best opposition that could be found for him here. This opposition was found in Eddie Green, whom Hughie Shannon, the Cleveland fight impresario, is pointing for a place in the main event among the bantams. The main event is scheduled for eight rounds, although Obenshore holds out for ten.

The local card which will be sponsored by the Ontario Boxing Commission is practically complete.

Brady To Appear.
Jimmie Brady, the Detroit lightweight who has been fighting his way to the top in his career, has a plentiful supply of knockouts scattered over the route, meets Harry White, a hardy scrapper, who hails from Niagara Falls, N.Y., in the semi-final of the card.

Brady is clever, and at a point in his climb now where he can't take any chances even in the flint bushes. White and Brady have a new, although White has been headlining cards around New York State and holds the lightweight title for that season.

It means a lot to White this fight, and it means that Brady doesn't want it to mean much, if you know what is meant. Tommy McDonald, the clever Hamilton bantam, stacks up against Jimmie Ray, a Virginia bantam, in the third event of the night. McDonald is rated with Young Mack, Lee and the other crowd of good bantams who are aiming at Eber's title in the near future, and this meeting with Ray will add to the youthful McDonald's stature.

Shows Promise.
McDonald has plenty of promise on Toronto and Hamilton cards, but is still seeking experience. Apparently he won't have far to look when he hooks up with Jimmie Ray, who has fought his way northward, and in several appearances in Buffalo, which is a hard-bitten centre of boxing, he has fought himself into general favor, and a temporary home at least.

A certain raise is all that remains to complete the card, an imposing one for a start in London. A couple of welters will probably be secured for this vacancy.

A. T. Taylor, licensed referee of the Ontario Boxing Commission, will handle the bouts.

OWEN SOUND JUNIORS WALLOP MILVERTON KIDS

Milverton, Feb. 18.—In one of the most exciting games ever seen here, Owen Sound Juniors beat the local team tonight, 9 to 2. The line-ups:
Owen Sound—Goal, Smith; defence, Graham and Cain; wings, Keeling and Elliott; center, Welland; subs, Flaherty and Elvidge.
Milverton—Goal, Schenker; defence, Smith and Kelterburne; wings, Baktendorf and Gaul; center, J. Bastendorf; subs, Sundsho, Peppier.
