THE ROOT OF THE TROUBLE.

It surprises some people when you tell them their nervous trouble is caused by a defective liver. Liver trouble causes constipation. Next comes dyspepsia, then impure blood with heart strain, and the result is nerve trouble. Merrill's System Tonic is a positive cure for liver trouble and constipation, and in this way removes the cause of other ills. 50c per bottle. Sold at all drug stores.

"Canadian Industrial Investments."

I help both the investor and the producing concern in the matter of selling stocks and bonds. For the investor I offera small select list of highclassCanadian industrial securities which I consider highly meritorious. For the owners of any Canadian Industrial company, organized or unorganized on a limited liability basis, I have an interesting proposition, if the condition of the company and its prospects warrant it. Let both classes write me letters of enquiry.
