

OUR HOUSEFURNISHING DEPARTMENT

Stocked With the Best at the Lowest Possible Price

There is always something to say about this Department, but perhaps we do not mention it in the daily papers as much as we should. But why can we talk about it? Because—the stock found therein is complete in every detail, and new goods are daily being added to the already large stock which is shown here and no matter what particular line you may be looking for, you may rest assured that here is the place to find it, all of which are displayed at the front end of the building, 2nd Floor, where the light is brightest, and where every opportunity is afforded you of selecting the carpet, rug, etc., most suited to your fancy, at the lowest possible price. We wish to emphasize the fact that no other store offers the quality we do at such tempting prices. There is only one way of convincing you of this fact—and that is by showing you, which we are at all times willing and anxious to do, as we feel confident that our values are the best to be found in the city, see the prices and be convinced. Your inspection cordially invited.
