ADMIT GERMANY HAS LOST THE WAR

Teutonic Captains of Industry Know the Truth But People in Ignorance

Paris, April 17.—Le Matin to-day says it is in a position to state authoritatively that Herr Ballin, president of the Hamburg American Line, and the president of Deutsche Bank both declared a few days ago, the war was lost for Germany. "This judgment," adds Le Matin, "from men who know the Kaiser's inner thoughts is more important than the optimistic communication from Herr Ballin made to influence American opinion."

Le Matin asserts that one of these commercial kings said: "The battle is lost and the German people know nothing of it."

Amsterdam, April 17.—A report just issued by the president of the Antwerp Chamber of Commerce, E. Castlein, gives an idea of the tribute paid by the Belgians to the German invaders.

The report says 40,000 tons of cheese, 18,000 tons of maize, 40,000 tons of barley, worth together \$3,600,000, have been requisitioned, in addition to linseed valued at \$490,000, oil cake worth \$1,000,000 and nitrates valued at \$800,000.

The whole supply of animal and vegetable oils, the value of which it is not possible to estimate, about \$600,000 worth of petroleum and mineral oils, nearly \$1,200,000 worth of wool and an uncertain supply of cotton, the quantity demanded from one firm alone being valued at \$265,000.

Other contributions are: \$2,000,000 worth of rubber, \$4,000,000 worth of copper, \$2,300,000 worth of horsehair, \$1,300,000 worth of ivory, \$100,000 worth of wood, \$400,000 worth of cocoa, 80,000 pounds and \$32,000 worth of wine.

The semi-official estimate places the value of requisitions at from \$69,000,000 to \$80,000,000.

VISIT CAMPBELLTON ON DOLLAR DAY

Merchants are Advertising Many Attractive Bargains.—Come and Save Money.

Thursday will be Dollar Day. It is expected that a large number of visitors will be in town for the day and things should be made bright and attractive for them.

While the streets this year are an improvement over previous years on account of their intelligent treatment last season, there are some improvements which could be made with very little labor.

The Subway is in a disgracefully dirty condition. A man with a few lengths of hose could wash off the mud and filth from the walks and roadway in a very little time.

Then there are a number of places where the gutters should be cleaned out, thus allowing the surface water a chance to run to the catch basins.

Crossing should be cleaned off and made passable.

If the roller or drag was put on Water Street, it would make a great improvement.

We make these suggestions to the Chairman of the Streets department and trust he will give them his attention.

Already the fish-story season has commenced. According to a highly-colored narrative from Sarasota, Fla., a 1,100 pound shark that had to be landed with a mule team was caught by a party in search of less exciting diversion.

CLEAN UP THE STREETS

In many places the Dollar Day has been held early in the spring and during the winter or early fall. In Ontario, where it has been in vogue for the past three years, it has become THE days when the residents of the various towns and surrounding country do their spring and fall buying. It has proved a great success.

Campbellton's first Dollar Day will be held Thursday, April 22nd, and judging by the attractive announcements in this special edition of the Graphic, it should prove successful.

Our readers should study the advertising carefully, making lists of goods in the various lines they may require, and then visit the stores early, so that there will be ample time to attend to all.

Many of the prices quoted on articles are real bargains and should be taken advantage of. Of course everything is spot cash.

It is expected that large numbers of visitors will be in town, and we assure that all will be well received. Come to Campbellton Thursday and make Dollar Day a success.

Since the above was written the Street Department has commenced work cleaning and we can look forward to clean looking streets on Dollar Day.
