

# SHE FAINTED WITH THE AGONY

"Fruit-a-lives" Cured Her Kidneys

MISS MAGGIE JANNACK  
 BIRTHDAY, OCTOBER 14TH, 1870  
 "I desire to let the world know the great debt I owe 'Fruit-a-lives' which saved my life when I had given up hope of ever being well again.  
 For six years, I suffered from dreadful Kidney Disease. My legs and lower part of my body were fearfully swollen. The pain in my side and legs would be so bad that I would faint with the agony. Five different doctors attended me and all said it was Kidney Disease and gave me no hope of getting well.  
 A kind neighbor visited me and mentioned the case of Mrs. Fenwick who had been cured of a sickness like mine. I took 'Fruit-a-lives' and in a short time, I began to feel better—the swelling went down—the pains were easier—and soon I was well.  
 I have gained over 30 pounds since taking 'Fruit-a-lives'—and my friends look upon my recovery as a miracle."  
 (MISS) M. G. GIBB JANNACK  
 "Fruit-a-lives" are sold by all dealers at 50c a box, 6 for \$2.50, trial size, 25c—sent on receipt of price by Fruit-a-lives Limited, Ottawa.

## A WOMAN SENATOR.

(The "World," New York.)  
 The opening of the Colorado Legislature was marked by the appearance in the Senate of the first woman to hold Senatorial office in this country. She was welcomed cordially by her colleagues, who yielded to her a first choice of seats, a courtesy to which she responded by making no objection to smoking in the Senate, which appears to be a much-valued privilege. Thus the preliminaries went off harmoniously, with honors for all concerned.  
 But the occasion was not without its special and significant features. The first congratulations to the new Senator were extended by a woman who holds a seat in the Assembly. She is a Republican, while the Senator is a Democrat, but the interchange of greetings was completed with a kiss. Out of deference to the Senate rule that forbids hats while permitting cigars, the lady removed her own. She was gowned, we are told, in dull primrose, and the gown was pronounced "fetching" by those who understood it.  
 It's a poor plan to try to pull yourself out of trouble with a cork-screw.

## Again the Farmer

A recent special report to the United States congress deals with the question of marketing farm products. It goes very thoroughly into the whole question, dealing especially with the intervention of middlemen, and makes some suggestions as follows:—

"It is proposed that a corps of traveling field agents and a large corps of local agents and correspondents be established for the following items of service: To help producers organize for associative marketing; to examine and remove local difficulties in the way of such marketing; to help producers to find markets; to report the current descriptive condition of crops, in addition to the work already done by the department's crop reporting service; to estimate the probable production of crops a short time before harvest; to report the beginning and ending of the shipping season; to report the crop movement from producing points through 'gateways' to principal markets."

The report further recommends investigation as to the storage of farm products either on the farm or elsewhere pending their sale; the business of commission dealers; the various costs of marketing, properly itemized, and compared with prices of products at the farm and with consumers' prices; a description of principal markets and of chief producing regions; and a study of problems of transportation.

## HAIR HEALTH.

If You Have Scalp or Hair Trouble, Take Advantage of This Offer.

We could not afford to so strongly endorse Rexall '93' Hair Tonic and continue to sell it as we do, if it did not do all we claim it will. Should our enthusiasm carry us away, and Rexall '93' Hair Tonic not give entire satisfaction to the users, they would lose faith in us and our statements, and in consequence our business prestige would suffer.

We assure you that if your hair is beginning to unnaturally fall out or if you have any scalp trouble, Rexall '93' Hair Tonic is without question the best remedy we know of to eradicate dandruff, stimulate hair growth and prevent premature baldness.

Our faith in Rexall '93' Hair Tonic is so strong that we ask you to try it on our positive guarantee that your money will be cheerfully refunded if it does not do as we claim. Two sizes, 50c. and \$1.00. Sold only at our store—The Rexall Store, Royal Pharmacy, W.A. Warren.

The Countess of Aberdeen and Miss Violet Asquith arrived in Ottawa on Monday, and are the guests of Sir Wilfrid and Lady Laurier while in the capital. Sir Wilfrid entertained at dinner to his guests on Monday night. The Countess will address the National Council of Women during her stay there.

## THAT EXASPERATING TICKLING IN THE THROAT

which keeps you coughing away, night and day, will quickly disappear if you take Na-Dru-Co Syrup of Licorice, Licorice and Chlorodyne.

Na-Dru-Co Syrup of Licorice, Licorice and Chlorodyne quiets the throat-tickling almost instantly, loosens the phlegm, promotes expectoration, and cures the inflammation of the mucus membrane.

Na-Dru-Co Syrup of Licorice, Licorice and Chlorodyne has the great advantage of being absolutely free from harmful drugs of any kind. In support of this statement we are willing to give to any physician or druggist in Canada a full list of its ingredients.

You can therefore give Na-Dru-Co Syrup of Licorice, Licorice and Chlorodyne to any member of your family with perfect confidence that it will be altogether beneficial.

Your druggist can supply you with either 25c. or 50c. bottles. The National Drug and Chemical Co. of Canada, Limited.

The York Herald says:—Edward M. Murphy arrived home on Monday afternoon from Medicine Hat, on a visit to his family for a few weeks. Mr. Murphy says that the west is all right if you "strike oil," but for solid all-around comfort, and for the things that make life worth living, the east, and more especially Yarmouth, is the only place on the map.

## THE DOCTOR'S QUESTION.

Match Sickness Due to Bowel Disorders.

A doctor's first question when consulted by a patient is, "are your bowels regular?" He knows, that ninety-eight per cent. of illness is attended with inactive bowels and torpid liver, and that this condition must be removed gently and thoroughly before health can be restored.

Rexall Orderlies are a positive, pleasant and safe remedy for constipation and bowel disorders in general. We are so certain of their great remedial value that we promise to return the purchaser's money in every case when they fail to produce entire satisfaction.

Rexall Orderlies are eaten like candy, they act quietly and have a soothing, strengthening, healing influence on the entire intestinal tract. They do not purge, gripe, cause nausea, flatulence, excessive looseness, diarrhoea or other annoying effects. They are especially good for children, weak persons or old folks. Two sizes, twenty-five cents and ten cents. Sold only at our store—The Rexall Store, Royal Pharmacy, W.A. Warren.

Halifax has now a lady on her School Board—Miss S. J. Wilson, daughter of the late Secretary of the Board, R. J. Wilson. She starts in with a salary of \$1,000. She received six out of the eleven votes of the Board, and is the first case, we believe, of a lady being on a School Board in this Province. Her father received \$1,000 and she \$600 as his assistant.

## Joker's Corner.

### HIS KIND ACT.

A young first grade teacher of the children of foreign parents gave them a little talk on kindness to animals. The next day, when she was busy at her desk, she felt a little hand tugging at her sleeve.  
 "Why, Pietro," she exclaimed, "what is the matter?"  
 "Nothing, teacher. I just wanted to tell you how I was good to dumb animals yesterday," he replied.  
 "Why, isn't that nice, Pietro! Just what did you do?"  
 Pietro drew himself up to his full three feet, and proudly declared, "I kissed the cat!"

### A MEAN THRUST.

"Have you ever placed yourself in the hands of a beauty doctor, Mrs. Muggworth?"  
 "Why do you ask me that?"  
 "My husband wants me to go to one."  
 "Yes, I have been taking regular treatments from one for the past year."  
 "Then I think I'll not go. It seems to be useless."  
 "I don't know, dear, but I hope it is nothing dreadful."

### HARD ON THE FLOWERS.

Coming home the other day in a rush of excitement, Dora rushed to her mother and said:  
 "Oh, mamma, guess what we are going to do?"  
 "I don't know, dear, but I hope it is nothing dreadful."  
 "We're going to study botany, and next Saturday we are going out to the woods to tantalize the flowers."

### SIMPLE.

"My wife," said Mr. Clarke, "sent two dollars in answer to an advertisement of a sure method of getting rid of superfluous fat."  
 "And what did she get for the money? Was the information what she wanted?" asked Mr. Simmons.  
 "Well, she got a reply telling her to sell it to the soap man."

### WHILE HE WAITED.

Little Girl—"Mr. Lingerlong, is a quietus something you wear?"  
 The Young Man—"No, Miss Kitty. Why do you ask that?"  
 Little Girl—"Cause I heard sister tell mamma the other day she was going to put a quietus on you the next time you came."

### Mrs. A.—"Well, if it isn't Mrs. B!

What a stranger you are! Why it's quite five years since I saw you."  
 Mrs. B.—"Yes, why haven't you been to see me?"  
 Mrs. A.—"Oh, dear, you know how bad the weather's been."

### The teacher was speaking to the

juvenile class on the subject of morals.  
 "Now, Harry," she said, "what is our duty toward our neighbors?"  
 "To keep an eye on 'em," was the reply.

### Mother (whose daughter is engaged

to a young farmer)—"Don't you find Bob rather rough?"  
 Daughter (blushing)—"Yes, ma, and yet he says he shaves every day."  
 "Do you think matches are made in Heaven?" asked Gaswell.  
 "I don't see how they can be since Lucifer was kicked out," was the reply.

### Mrs. A. R. Tabor, of Crider, Mo.,

had been troubled with sick head, she for about five years, when she began taking Chamberlain's Tablets. She has taken two bottles of them and they have cured her. Sick headache is caused by a disordered stomach for which these tablets are especially intended. Try them, get well and stay well. Sold by druggists and dealers.

## A MAN WHO KNOWS

Says GIN PILLS Are Good For Pain In The Back

WHEN your grocer tells you he uses a certain tea in his own home, you feel pretty sure it's good tea.  
 And when a prominent druggist takes GIN PILLS for his own Backache, you can feel quite sure there is nothing else quite so good.

Winnipeg, May 19th, 1912.

"In the autumn of 1911, I suffered with a continual pain in the back. As a druggist, I tried various remedies without any apparent results. Having sold GIN PILLS for a number of years, I thought there must be good in them, otherwise the sales would not increase so fast. I gave them a fair trial and the results I find to be good."

GEO. E. ROGERS.

GIN PILLS have well earned the confidence which druggists, as well as the public, have in them. For years they have been relieving the pain of Rheumatism, Lumbago and Kidney Troubles generally, and changing tortured cripples into strong, supple men and women.  
 Why should you go on suffering when there is a remedy so easily obtained and so reliable? GIN PILLS cost but 50c. a box, 6 for \$2.50. Money back if they do not help you. Sample free if you write National Drug and Chemical Co. of Canada, Limited, Toronto. 150
