D. W. BEADLE, Proprietor.

My Vegetable and Flower Seed Catalogue for 1884, the result of thirty years' experience as a Seed Grower, will be sent free to all who apply. All my seed is warranted to be fresh and true to name, so far that should it prove otherwise, I agree to refill orders gratis. My collection of vegetable seed, one of the most extensive to be found in any American Catalogue, is a large part of it of my own growing. As the original introducer of Solpot Root, Burdock Potatoes, Marbled Early Cere, the Hubbard Squash, and scores of other new Vegetables, I invite the patronage of the public. In the gardens and on the farms of those who plant my seed will be found my best advertisement.
