Arbitration, Water Power 8
Address, Incorrect 9
Acetylene, Warning Against 9
Arbitration, Settlement by 10
Advertisement, What It Should Be No. 1-vi
Atlantic Cables, Laying 42
Acton, Municipal Lighting Plant at 49
Arc Lighting, Series 53
Acetylene Gas Explosion 67
Acetylene Gas 84
Acetylene Gas Plants Installed Throughout Canada, Record of 153
Acetylene Gas, Results of Use of 154
Acetylene Gas, Underwriters' Regulations as to Use of 154
Arc Lamps, Enclosed, Long Burning 159
Automobiles in Postal Service 172
Acetylene, Record of 193, 217
Aluminum Wires 233
Arc Lamps, Enclosed, Use of 250
Automobile, the 267

B

Boiler Attendants, Good Advice to 5
Beauport Asylum, Electric Plant at 1
Boilers, Scale in, Prevention of 59
By-the-Way 66, 220, 233, 249
Brunt Regulating Socket 71
Batteries, Carriage, Charging 112
Barges, Electrically Propelled 172
Burleigh Falls-Peterboro-Lindsay Transmission 239

C

Competition, Electrical Students 10, 22
Cable, Electric and Horse Car Operation, Comparative Costs and Profits of 18
Canadian Electrical Association 29, 58, 85 101, 124, 215
Canadian Electrical Association, Proceedings of Ninth Convention 125
Christmas Trolley Car 35
Consolidation Idea, the 64
Conmee Bill, the 65, 68
Copper and Aluminum 65
Coal First Used as Fuel, When 69
Conduit Installation, Iron Armoured, at St. Mary's Cathedral, Halifax 82
Chambly, Water Power Development at 97
Canadian Association of Stationary Engineers, 100, 185
Canadian Association of Stationary Engineers, Annual Convention 197
Canadian Association of Stationary Engineers, Annual Dinner of Toronto No. 1 241
Calcium Carbide, Dangers of 108
Central Stations, New Fields for 108
Canadian Capital in Newfoundland 108
Central Station Accounting from a Business Stand-Point 163
Central Station Accounting, Forms Accompanying Paper on 176
Chambly Transmission Line, Cable Laying for 169
Consolidation 193
Chambly Works, Visit to 221
Coils, Fixed vs. Movable 216
Conduit, Underground, for Electric Wires 221
Cigar and Pipe Lighter 249
Compressed Air, Economy Effected By, Report on Trials Made at Magog, Que. 251
Chief Engineer, Peculiar Method of Appointing 252
C.P.R. Telegraph Appointments 265

D

Difference Between Now and Then 92
Direct-Connected Generating Machinery, Standardizing 108
Durley, Prof. R. J. 175

E

Electric Light and Power Installation 4
Engineering Notes 9, 185, 223
Electric Light Dynamo, Large 18
Electric Light Inspection in Canada 21
Electric Siren 37
Electric Manufacturing Interests in Toronto, Consolidation of 56
Electricity as a Factor in Modern Development 59
Electrical Inspection in Winnipeg, Man. 62
Electrical Exhibition 62
Electric Power, Price of 65
Engines in Spain, Canadian 67
Electric Arc, the, Blindness from 72
Electric Railway, An Underground 74
Electric Light Bill and the Canadian Electrical Association 85
Electric Lighting in Halifax, History of 89
Electrical Industry in British Columbia 91
Electrical Machinery in South Africa, Demand for 118
Electrolysis 116
Electrical Machinery in Japan 173
Experiments Interesting 92
Electricity at the Fair 197
Electric Transmission and Electric Drills for Mines 91
Electrical Dinner 236
Electric Light vs. Acetylene Gas 238
Electric Power Distribution and the Small Consumers 253

F

Fires from Electric Wires 29
Fly-Wheels, Small Cast Iron, Bursting of 46
Fire Alarm Telegraph, Evolution of 79
First 220-Volt Plant 259

G

Globes of Enclosed Arc Lamps, Cleaning No. 1-iv
Glasgow and Electrical Progress 62
Gibson, Donald, the Late 117
Grant, W. W. 166
Grate Bar, the Cyclone 255

H

Hamilton, Frederic A. 13
Horseless Vehicles 192
Hazlitt, T. G., the Late 239
Heating and Cooking Plant, Electric 246

I

International Electric Railway, First No. 1-iii, 34
Incandescent Gas Lamp, New Competitor for 73
Interior Wiring, Modern Systems of 43
Incandescent Lamps for Central Stations, Proper Efficiency of, Including Description of Nernst Lamp 160
Incandescent Lamp, Largest Ever Made 204
Incandescent Lamps, High Efficiency 223
Inductor Alternator, Inherent Regulation in 219

J

Jamaica, Electric Railway in 118

K

Killey, Joseph H., the Late 204
Kootenay-Rossland Power Transmission 209

L

Lamp, New Regulating 23
Lachine Rapids Hydraulic and Land Company 39
Liquid Air, Possibilities of 113
Lighting the Pyramids by Electricity 173
Legal Decision, An Interesting 182
Law, A Nice Point in 234
Lamps, 220-Volt, Efficiency of 246
Leather Belts, Lubrication of 222
Liquid Air 217
Lighting Companies, Word to 252

M

Montreal Correspondence 6, 30, 50, 171, 236, 254
Moonlight Schedule 15, 21, 49, 63, 90, 111, 174, 197, 225, 245, 264
Montreal Street Railway Company, Officers of 19
Meter Rates, Systems of 31
Municipalities and Lighting Companies 41
Maritime Electrical Association 54, 84, 205
Maritime Electrical Association Convention 58, 77
Municipal Lighting Plants, Two 60
