THE BEST REMEDY.

Dear Sirs,—I was greatly troubled with weakness, loss of appetite, restlessness and sleeplessness, and found B. B. B. the most strengthening and beneficial medicine I have taken.
 Miss Heaslip,
 84 Huntley St., Toronto, Ont.

Look upon the success and sweetness of thy duties as very much depending upon the keeping of thy heart closely with God, in them.—Flavel.

We're not waiting for the bats and moles but for men and women who have eyes and use them, who have brains and reason! There's a new world for them—suffering and sickly as they are—a new world created from the brain of a skilful physician—a discovery—the "Golden Medical Discovery."

Years ago Dr. Pierce found out that the secret of all scrofula, bronchial, throat and lung trouble lay—in the beginning, at least—in impure blood and the weak tone of the system; that the way to cure these effects was to remove the cause, that human nature being the same, the same results might be looked for in nearly all cases. So confident was he that the exceptions were uncommon that he took the risk of giving the medicine to those it didn't benefit for nothing, and the results have proved that he was right.

And "Golden Medical Discovery" is the remedy for the million! The only guaranteed Liver, Blood and Lung remedy. Your money back if it doesn't help you.

One of the rare and beautiful skins seen occasionally in this country is that of the vicuna, a small Indian deer found in Peru and other regions of Western South America. The fur is soft, thick and tawny in color, with rich, sunny glints that give it almost the lustre of velvet.

The language of the Bible grows more harmoniously luminous with the growing light, when its words are read and interpreted simply, as words still living; they are found to give the spiritual message which each age requires, the one message made audible to each hearer in the language wherein he was born.—Canon Westcott.

A Bright Lad,

Ten years of age, but who declines to give his name to the public, makes this authorized, confidential statement to us:

"When I was one year old, my mamma died of consumption. The doctor said that I, too, would soon die, and all our neighbors thought that even if I did not die, I would never be able to walk, because I was so weak and puny. A gathering formed and broke under my arm. I hurt my finger and it gathered and threw out pieces of bone. If I hurt myself so as to break the skin, it was sure to become a running sore. I had to take lots of medicine, but nothing has done me so much good as Ayer's Sarsaparilla. It has made me well and strong."
 T. D. M., Norcatur, Kans.
