

Creek; M. M., Antigonish; M. C., Cobourg. The special requests contained in these letters have been inserted in their proper places in this number of the MESSENGER.

SHORT CORRESPONDENCE.

E. McM., Dundas. — The Guides are making a favorable impression in all the Centres. Our Promoters have now a publication that will teach them all they want to know about their privileges and obligations.

D. D., Guelph. — There are no special blank lists sent out for the Album for Paray-le-Monial. Use ordinary foolscap. We shall have the names carefully transcribed in the book destined for the shrine.

L. M., Windsor, N.S. — The foregoing answer suits your enquiry.

Mrs. O. E., St. Andrew's. — The names have been received, and we shall transcribe them.

E. D., Marysville. — The Novena of First Fridays must be made on first Fridays. Other Fridays of the month will not do.

A. M., Halifax, N.S. — The MESSENGER will not refuse the tribute of prayer to the soul of any person whose name is sent to this office. However, space is limited, and we would ask correspondents to send for the "In Memoriam" columns only the names of recently deceased members.

M. H., Toronto, writes us :

1. "Wishing to become a Promoter, I took the names of some of my friends and began distributing the Leaflets and MESSENGERS. To some who had not been received I gave certificates of admission. Are they fully received?" *Ans.* They are, provided you handed their names into the Local Director or Secretary to be inscribed in the register of the Local Centre.

2. "When receiving persons into the League must their names be put on the Register at once?" *Ans.* Certainly. Promoters generally find it convenient to wait till their next monthly meeting. Three things are required for valid membership in the League: Affiliation of the Centre by Diploma signed by the Diocesan Director; the ticket of admission; and registration in the Local Director's register.

3. "May the names of persons lately deceased be sent to the "In Memoriam" columns even though they be not Associates?" *Ans.* See our answer to our Halifax correspondent.
