PROCEEDS of concert given under the auspices of Centreville congregation, \$80.00.

We regret to learn that Rev. W. T. McMullen, Woodstock, Moderator of the General Assembly, is lying very ill with pleurisy at Wellseeberg.

Mr. J. A. MACDONALD, editor of *Our College Monthly*, left the city last Monday en route for Edinburgh. Mr. Macdonald expects to spend six months in Britain.

Rev. J. McCONECHY and wife, of Port Stanley, have returned from an extended trip through Manitoba and the Northwest. Mr. McConechy's health is very much improved.

The Rev. John Gillis was inducted into the pastoral charge of St. Andrew's, Paisley and Salem, Elderslie, on the 16th October, and was heartily welcomed by the congregation.

Miss MENGZIUS, an active Sabbath worker in Knox Church, Guelph, was recently presented, prior to her removal to Milton, with an address from the Knox Church S. S. Association.

The Rev. J. P. Somerville, B.A., formerly of St. Mark's Mission church, Toronto, has received a unanimous call to the pastorate of Baker Street Presbyterian church, Detroit.

Mr. D. G. MCPHAIL, the student in charge of the mission field at McGregor, Manitoba, on the occasion of his leaving to resume his studies at Queen's University was presented with a writing desk and a handsome edition of Shakespeare.

The Rev. Robert Chambers, formerly of Whitchurch, Ont., who has lately returned from Erzurum, Turkey, where he laboured as a missionary during the past nine years, occupied the pulpit of the Congregational church, Woodstock, last Sabbath evening.

Rev. J. A. R. Dickson, of the Central Presbyterian church, Galt, has been presented by the congregation of Knox church, Galt, with a handsome gold watch as a slight recognition of his services as Moderator of the Session during the interval between the resignation of Rev. Dr. J. K. Smith and the induction of Rev. A. Jackson.

The Rev. T. G. Smith, D.D., general secretary for Queen's College, Kingston, is at present preaching with vigour and success—in places not previously visited—in service in behalf of the General Education Fund of the Library department only. St. Andrew's congregation, Guelph, has again responded, to the amount of \$6,000.

At the meeting of P. E. Union Presbytery, October 2, the call from Mead, Ont., to Rev. A. E. Stewart was accepted by him. The ordination and induction of Mr. W. M. Taft, M.A., into the pastoral charge of Baddeck was fixed for the 3rd inst. Mr. Taft is the third minister settled over this congregation. The parishes of his two predecessors covered a period of sixty-two years—that of Rev. R. S. Patterson, fifty-eight; and that of Rev. Wm. Scott, about five years.

Mr. ARCH. MCARTHY, of Carleton Place, with commendable liberality, recently presented the sum of \$1,000 to Knox College, Toronto, to establish a scholarship, the same to be known as "the Archibald McArthur Scholarship." We are pleased, says the *Herald*, in noticing the gift to report this contribution of our respected townslady, although it is only another illustration of the many generous acts she is continually performing.

The anniversary services in connection with Elma Centre church were held recently. Rev. J. A. Turnbull, LL.B., of St. Mary's, preached morning and evening to large audiences. On the following Monday a tea-meeting was held. In the absence of the pastor, Rev. Andrew Henderson, M.A., who was unexpectedly called from home by the sad news of a brother's death, the chair was occupied by Robt. Celand, Esq., Reeve of Elma. Excellent addresses were given by a number of ministers and others. Receipts from anniversary services and some \$335.62.

The S. S. Association of Brockville Presbyterian, met in Spencerville, Sept. 21. The subjects discussed were: "The Relation of Elders to the Sabbath School"; "The Place and Power of the S. S. Teacher"; "What Should be the Character of S. S. Anniversaries and Festivals"; and "How to Make it a Success." The Secretary's report showed that there are thirty-three S. Schools in the Presbytery so far as can be ascertained. There are in these schools over 4,433 scholars, being an increase over last year of 272, with 241 teachers, of whom eighteen are elders. The shorter calendar is taught in all the schools. Seventy-six scholars have been added to the Church as members in full communion. There are only ten schools subscribing to the missions.

The settlers of Roun't Plain under the leadership of Mr. F. W. Paton, have been very energetic during the past summer, and the outcome of their zeal and unmanly is the erection of a beautiful solid stone church, the only one on the Plain, 2,733 feet, and capable of seating comfortably one hundred persons. The church was recently opened for Divine worship, when the Rev. A. Robson conducted the service, assisted by Mr. Paton. The building was well filled. On Monday evening a social was held in the church. There was a very large attendance. After an excellent programme, comprising addresses, readings, recitations, and a selection of music was rendered, all of which was fully appreciated. A collection was taken up and, as a result, the building fund was increased by \$15.

REASONS WHY THEY, ESPECIALLY, SHOULD

ABSTAIN

The Temperance and General  
—LIFE—  
Assurance Company

1st.—Because it is the only Company in Canada that offers **DEFINITE LIFE ASSURANCE** to abstainers from intoxicants; it gives them the benefit of their superior longevity, by keeping them in a separate class, thus avoiding the heavier death rate among those who use liquor as a beverage. The existence of the "Life and Temperance and General Provident Institution of Great Britain," which is one of the most successful of British Companies, and does its business on the above principle, shows that forty per cent. more profit accrues in the TEMPERANCE than in the General Branch.

2d.—The Company is carefully and economically managed.

3d.—It is **PERFECTLY SAFE**, having made the regular deposit with the Dominion Government, and having a Guarantee Fund of \$100,000.00 for the protection of its policy-holders.

4th.—Its rates are low, risks carefully selected, policy contract clear, simple and definite.

5th.—Its plans are such as to suit everyone. THE "INSTALMENT BOND" is a splendid investment, while the Graduated Premium Plan furnishes straight protection insurance at the least possible outlay.
